Trolley Road Talk

The papers hereabouts are publishng trolley road news again. According to the articles a road is now assured and work will begin in May and soon a line will extend from Port Jervis to Strondsburg. From the best information we can obtain, this is talk pure and simple. That there are some schemes being discussed is true, and preliminary steps are being worked, but may one at all cognizant with the whole situation knows, or ought to know, that in the present state of affairs there are obstacles to overcome, and some arconsume time and which perhaps may delay indefinitely a beginning county, and was a Justice of the air. We want the road but know that so far these who talk of building have not got their feet near the ground. Any assertions to the conrary notwithstanding.

The Law of Automobiles

We are in receipt from the author f a copy of the second edition of or it would have been made impassa Huddy on Automobiles. This work is a comprehensive review of the be considerable to the township. A law as it exists in the several states town not long ago made the stateon motor vehicles, and covers the have developed since they have come into general use. The book treats each subject in an orderly, concise and olear manuer and will be an excellent guide, not only to comes a candidate for representative lawyers and judges but also to laymen, owners and drivers of machines and to the interested public. It is written in an entertaining style and wnile defining the law and quoting numerous decisions is very readable. It should be in the hands of the general public as containing information so carefully arranged that any may readily find the topic on which they wish to be enlightened. It is published by Matthew Bender and Co of Albany, N. Y.
