It is highly beneficial to the finest finish, even that of a \$1,000 Piano, and its price is low enough to admit of its use on the cheapest, down to a 50c kitchen chair. It will improve the most beautiful furniture, including Mahogany, Rosewood, Golden Oak, White Enamel, Gilt, Silver, Etc.

Equally well adapted to any color paint.

Liquid Vener is not a varnish but a surface food and cleanser. It removes scratches, stains, dirt and dullness. Applied with chamois cloth. Leaves no coating or streaks and is not inflammable.

It nourishes and builds up the finish instead of ultimately destroying it as do all preparations containing benzene or similar ingredients. Test Liquid Vener for yourself; it will not ignite. It is wonderful for dusting. Try it and you will always buy it.
