Make a duster out of a bakthan last year. ing powder can by punching fine holes in the lid, and then dust the bushes with hellebore. A few cents and a little time will save the berries

Milford streets have not been in better condition for years than at present. The street committee, Warner and Findlay, has shown good judgment and street commissioner Ryder has executed their disections with excellent discretion. When streets are put to proper shape it is an easy matter to keep them so and they give much better satisfac tion to the public.

Attorney General Todd holds that The Quay statue commission has the non resident excuption proviserdered the sculptor, in whose stud. ion of the new automobile law does to the statue has been, to forward it not go into effect until Jan 1st, 1910. to flarrisburg where it will be turned The licensing provisions of the new over to the Capitol commission The act are not operative until then, and last legislature passed a resolution he says the ten day limit is a part of that it be placed in the rotunda. the licensing provision.
