MAKES OLD THINGS NEW

IT BRIGHTENS the home as nothing else will do, by renewing the finish of furniture and woodwork. It is highly beneficial to the finest finish, even that of a \$1,000 Piano, and its price is low enough to admit of its use on the cheapest, down to a 50c kitchen chair. It will improve the most beautiful furniture, including Mahogany, Rosewood, Golden Oak, White Enamel, Gilt, Silver. Equally well adapted to any color paint.

Liquid Vener is not a varnish but a surface food and cleanser. It removes scratches, stains, dirt and dullness. Applied with cheese cloth. Leaves no coating or streaks and is not inflammable. It nourishes and builds up the finish instead of ultimately destroying it to do all preparations containing benzine or similar ingredients. Test Liquid Vener for yourself; it will not ignite. The lawyer for the plaintiff had finished his argument, and counsel for the defense stepped forward to speak, when the new judge interrupted him. His eyes were wide open, and filled with wonder and admiration for the plea of the plaintiff.

"But, your honor," said the attorney for the defendant, "at least let me present my case."

The lawyer went ahead. When he had finished the judge gazed in even greater astonishment.
