[Special Correspondence.] Philadelphia, Oct. 26.

Colonel Wesley R. Andrews, chair puss of the Rep blican state commit toe, today sounded a note of warning to the Republicans of Pennsylvania.

He made it clear that he expects every Republican voter in this state to do his duty on Nov. 2.

to do his duity on NOV. 2. With election day only about one week off the state chairman insists that there must be a lining up of the Republican forces in every county if the Republican ticket is to be elected. the Republican ticket is to be elected as it ought to be, by an overscholming majority. Bince early in September Chairman Andrews, from the head quarters of the Republican state com-mittee in this city, has been directing in aggressive compaign. Not that the Republican ticket is in danger; it is not. But meny Republicans of Penn-gylvania frequently take Republican success for granicol and make no espe-cial effort to go to the polls. It was this danger of over confidence that Colonel Andrews had in mind to-day.

The Judicial Canvass.

"Judge Robert von Moschzisker will make a great supreme court justice. He has a splendid record as a common pleas pudge; he is known to the lawyers of the state as one of the ablest members of the Pennsylvanis bar, and he has the confidence of all of the people. Not a syllable has been uttered against him since his nomination. His qualifications for the supreme bench are conceded by every-hody. He ought to be elected by a tremendous majority. His Democratic tromandom majority. His Democratic opponent, Mr. Musson, is presenting this state with a spectacle it has never before witnessed.
