MODEL PRESENTATION SPEECH. How the German Mechanic Put in it a Little Sentiment. John Smith had worked for the

Valve corporation for forty-two years and decided to quit. The company in consideration of his long and faithful service arranged to give him a mone-tary recognition. The superintend-ent of the works, a German and an extra good mechanic, was asked to present it. He was advined to use a little sentiment in making the presentation speech, and this is the way he did it:

"John, you haff work for the company over forty years?" "Yea."

"You are going to quit?" "Yes." "Vell! They are so tam glad of it

that they asked me to hand you this hundred doilars."
