The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have a much faith in its curative powers that they offer One Hundred Dollars for any disease that it fails to cure. Send for list of testimonials. Address F. J. CHRENEY & CO., Tel. O Sold by all druggists, 75 cents. Take Hall's Family Pills for constipation.

Information of Voters

What is everybody's business is nobody's business, and everybody's business is the government of the United States. Most men have enough to do with the government of their families, sometimes assisted by recalcitrant wives and children, but if they are public spirited, they may turn their attention to village or county affairs, and even know something about the affairs of their state, whether it be Texas or Rhode Island. But when it comes to national and international affairs, not one voter in ten is or tries to be well informed. Nevertheless, this voter has his say in the most delicate, multifarious and momentous of national and international affairs. It is a wonderful system, without having much system about it, and one wonders how long it will last, or what will be the result of the evolution in popular government.

NO WONDER SHE'S CROSS.

The woman who has a thousand petty cares and annoyances which she suffers with headache or side ache must not be blamed if she cannot always be angelically amiable. What she needs is thoughtfulness from her family and such a simple and natural remedy as Lane's Family Medicine, the herb tea that makes weak women strong and well. Sold by druggists and dealers, 25c.

WHAT A WOMAN WILL NOT DO

There is nothing a woman would not do to regain her lost beauty. She ought to be fully as anxious in preserving her good looks. It is doubtful if many quail survive the winter. In Monroe county a farmer has been feeding a small flock and in Warren county, N. J. 15 are being cared for by another farmer. Have any been seen in this county.

Good health is your best possession. Guard it as your life. Do not risk it in the use of low quality drugs and medicines. A pure, fresh, efficacious Drug is no more expensive than the stale, inert & worthless kind.

AND YET THE RESULTS ARE SO DIFFERENT
