It is rumored that Arthur B. Sullivan is anticipating the purchase of a farm near New York and may leave Milford next spring.
 Prof. C. S. Constant and family have taken apartments in Port Jervis where they will reside for the winter.

Mrs. Archer Harmon entertained a number of friends Wednesday afternoon in honor of Mrs. Arthur Sullivan.
 Emmett Steele, J. F. Terwilliger, W. F. Chol, Chas. Thornton, Edward Klein, Fred Middaugh, George Wagner all went to New York to see the game between the St. Louis club and the Giants.

Mrs. S. T. White has closed her cottage here and will reside in East Orange, N. J. this winter.
 Mrs. Tracy who has been visiting friends in Honesdale returned home this week.
 Mrs. Frances Westfall, Mrs. Jennie Shearer and P. N. Bournique have gone to Twin Lakes for their annual camping.

Port Jervis has floated \$36,000 4 1/2 per cent school bonds at a premium of \$825 which proves that her credit is better than her streets.
 The Journal N. Y. commenting on the Maine election says it is not a victory for any party. It does not mean that the people are tired of the Republicans, nor does it mean that they have suddenly discovered virtues in the Democratic machines as such. It does mean that the people, becoming independent, detest more and more the idea of being ruled by any machine.

M. C. Nyce and wife of Bushkill visited friends here today.
WHAT A WOMAN WILL NOT DO
 There is nothing a woman would not do to regain her lost beauty. She ought to be fully as zealous in preserving her good looks. The herb drink called Lane's Family Medicine or Lane's Tea is the most efficient aid in preserving a beautiful skin and will do more than anything else to restore the roses to faded cheeks. At all druggists and dealers.

SAFE AND SURE.
 Among the medicines that are recommended and endorsed by physicians and nurses is Kemp's Balsam, the best cough cure. For many years it has been regarded by doctors as the medicine most likely to cure coughs, and it has a strong hold on the esteem of all well-informed people. When Kemp's Balsam cannot cure a cough we shall be at a loss to know what will. At druggists and dealers, Sec. 2, 10

DEAFNESS CANNOT BE CURED
 by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.
 We will give One Hundred Dollars for any case of Deafness (caused by Catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.
