HYER'S PILLS.

The American Improved Hygeian Vegetable Medicine.

THESE Pills are one of the best Medical Compounds in use at the present day.—As a common family physic, for administration in all temporary complaints of the stomach and bowels, head ache, colds, &c. they may be fully depended upon, and a prompt use of them on the first appearance of indisposition will invariably save much sickness. They are peculiarly adapted to all cases of weakness and general debility—any derangement of the system, and especially with females—and a steady, uninterrupted use of them, in strict conformity with the directions will very soon restore the organs of the stomach to their natural tone and action, and regulate the bowels, and renovate the whole system.

There is no disposition to give extravagant commendations of them. What is here stated, is the result of actual experience with them, and that through a period of fifteen years. It is not supposed, or pretended, that they will *raise the dead*; neither are they designed to be used as freely as we use our food! Such is not the true purpose of medicine. Its only appropriate office is to assist nature in restoring the system to a proper tone and action, when unavoidably, or through carelessness or excess, it becomes deranged. Many are careless and hence need this aid. And the most careful are liable to irregularities of the system. It is needless almost to say, that a prompt use of *safe* and *effective* remedies, on the first appearance of illness, is the part of wisdom. ☞ *Such a Medicine the Proprietor knows these Pills to be.* ☜ And he is certain that in forty nine cases out of fifty, where a fair trial is made according to the directions, they will be used again as a standard medicine. *He has never known an instance*, where they have been thus used, in which they have not met with UNQUALIFIED APPROVAL!

Numerous testimonials may be seen at the General Office of sale, and references will be given to substantial *living* witnesses of their valuable curative properties.

The Pills are purely vegetable, are of two kinds, stimulant and purgative, purifying the blood, and producing a healthy action through the entire system; are a valuable Anti Bilious Medicine, and eminently useful in all lingering complaints—Weakness, General Debility, Dyspepsy, Pulmonary Affections, Liver Complaints, Rheumatic and Spasmodic Affections, Female Complaints, Palpitations, &c.

No Family, after a fair trial, will be without them.

They are put up in FIFTY CENT and DOLLAR PACKAGES, each having a pamphlet embracing a valuable Treatise on Disease, with full directions for use. The Dollar packages are the cheapest to the purchaser. They may be ordered through Druggists, giving the Street and No. of the General Depot.

Sold, Wholesale and Retail, at *No. 140 Fulton street, Second Floor, N. Y.*, Between Nassau-street and Broadway.

THE GREAT REMEDY OF THE FORESTS.

STRONG & CSGOOD'S VEGETABLE PHYSANTHROPIC PILLS.

THE Proprietors take this method of making known to the world the most valuable and important discovery ever recorded in the history of medicine.

In testing by chemical experiment the medicinal properties of a rare plant, which grows along the banks of the Wapsepinicon River, in Iowa, they discovered that it possessed a healing and restoring power, which, in their opinion, in combination with other remedies, the result of their medical researches, would render it a

GRAND CATHOLICON

for a suffering world. The remedial powers of this plant were tested with the least possible delay, and in hundreds of instances, they proved fully adequate to the complete and perfect removal of disease in any and every form, and it is confidently believed that the remedy is destined to produce an entire revolution in the medical world. Facts in their possession fully warrant them in making the astounding announcement, that it immeasurably surpasses in its power to uproot and expel disease, every other medicine now known.

This Great Remedy;

has been administered in order to test its power to vast numbers of patients, in the most hopeless cases, such as had baffled the skill of the most eminent physicians, and had proved too obstinate to be removed by any of the numerous remedies of the day, and to the perfect astonishment of all, it effected complete and permanent cures; thus boldly triumphing, not only over the greatest remedies known to the medical profession, but over all the Pills, Syrups and Panaceas, whose virtues are so loudly trumpeted throughout the length and breadth of the land.

AS A GENERAL FAMILY MEDICINE,

the proprietors challenge the world to produce its equal. It acts in perfect harmony with the laws of nature, and completely purifies the Blood, a vitiated state of which is the cause of all disease. It has been administered in Asthma, Apoplexy, Barbers' Itch Canker, Catarrh, Cholera Morbus, Colic, Colds Cough, Consumption, Croup, Cramps and Convulsions, Cancerous Sores and Ulcers, Dropsy, Dyspepsia, Dysentery, Epilipsy, Erysipelas, Enlargement of the Spleen, Fever and Ague, Female Complaints, Fevers of all kinds, Gravel, Gout, Hysterics, Inflamation of the Liver, Lungs, Kidneys and Bladder, Indigestion, Jaundice, Leprosy, Liver Complaint, Neuralgia, Palpitation of the Heart, Piles, Scrofula, Spinal Complaint, Salt-Rheum, Scald Head, Syphilis, Suppression of the Menses, Tic Douloureux, &c. The proprietors have yet to learn that it has failed in a *single instance* of effecting a cure.

As a Preventive

of disease, it is entitled to the fullest confidence of the community. An immense amount of suffering, time and money has been saved by a timely use of it.

It has already crossed the Atlantic, and measures are now in progress to extend the blessings of this GREAT REMEDY throughout the world.

The proprietors invite the sick to try a single box, and they feel assured that they will be perfectly satisfied with the entire truthfulness of their representations.
