From tus Auferican Agriculturist. Yankee Farming.-No. 1.

Manager of the state of the second

+ (Continued.) firm. Our Conversation thereupon, with Hints on Stock Management and Feeding .- "Top of the morning to you, Uncle Sim," said I, in a somewhat jeering tone, although I felt sorry for him to the very bottom of my heart ; " now you see what I have so often told you, all this comes from keeping too much stock and feeding it so from keeping too much stock and recting it so poerly. If "---"Nov just stop will ye, and look a here, Serjeant," he replied somewhat depre-catingly, for I bog your readers to understand, that I have the honor of holding an orderly's to their being strictly fire-proof, and that to their being strictly fire-proof, and that the fire of any building.--10.70 militia; "there grows the grass in the bog The outside cases of these Safes are made of trains. meadow, don't you see, and I must cut it, and boiler iron, the inside case of soapstone, and be whon stacked you know as well as I does, that tween the outer case and inner case is a space it must be eat; wall, the old mare and colts of some three inches thick, and is filled in with won t touch it, nor the sheep nother, it dries up the cows from their milk, and as nothin' else will, the steers must." These last words he pronounced very emphatically, and then slapped his right thigh with his stout dexter, gave a sort of grunting whistle, by way of taking breath, and then looked up with a significant cock of the eye, as much as to say, "there, if tinue to manufacture a large assortment of our cock of the eye, as much as to say, "there, if tinue to manufacture a large assortment of our that ain't a settler, then I don't know what is." Premium Air tight Fire-proof Safes, of which "As to entting and stacking the bpg grass," I replied, "there is no objection, though you need not have bog grass at all, if you would manage your meadows as I want to have you read they do in England, but of this have you manage your meadows as I want to have you Haywood & Snyder, Potieville; Joseph Gt read they do in England; but of this hereafter. Lawton, Potieville; Mr. William Carr, Doyl-What I have so offen contended for is, that estown, Pa. N. & G. Taylor, 129 north 3d st. you should run out a couple of rough sheds from the southeast and southwest corner of South are constructed for the southeast and southwest corner of South are conveyancer, corner of Filbert and South are constructed for the southeast and southwest corner of South are conveyancer, corner of Filbert and South are constructed for the south are conveyancer. your big barn, thus enclosing an ample sunny Bush, 20 north 3d st.; James M Poul, 101 south yard well protected from the winds. Under the street. Dr David Jayne, 8 south 3d st.-these, your young stock would find comforta- Matthew T Miller, 20 south 3d st.ble shelter from storms' and cold winds, then could name some hundreds of others if it was you could stack your hay close by, get one of necessary. Now we invite the attention of the the new fashioned, quick working hay cutters, public, and particularly those in want of Firenearly all go to waste now, wet these up and mix a little bran or meal with them, and then

feed out hountifully in troughs, and you will get a hundred pounds' growth on the steers, will be much stronger for their winters' work. You will also make much more manure than adelphia. you now do; and mixed up with other matters in the yard, it will be more valuable than that left on the uplands round the stacks, to waste away in every rain, wind, and sun. Oh, you little know what a saving and conifort it would be all round. But here comes Major Goodell, quite easily along the road now. Uncle Sim, with his famous, smart yoke of oxen, and a log

on his sled larger than yours, by a quarter; so I will just invite hits to stop a minute, and give you a lift. If his cattle don't start your

log all alone, and take it to the top of the hill" on't, into the bargain; and it cost me three veyance to the above places. good night's work to braid it. No, no; they can't do no sich a thing," continued he, shaking his head and stamping violently in the
