GRAVEL.

and all disenses of the urinary organs; for these distraling complaints it steads alone; no other article can relieve
you; and the cures testified to will convince the most
skeptical;—see pampklet.

How many suiter from this painful complaint, and faney there is no cure. You may tkink you have gravel when
there is only inflammation—there may be calculi—add yet
it may be hatdily formed—it may even be stone in the
bladder, yet you are sure of a cure in all but the law
named disease, and if stone in the bladder does evin,
by the aid of this medicine all inflammation caused by it
will subside, and unless the diffiammation caused to it
will subside, and unless the diffiammation caused to it
ing, the calculi is dissolved, and brought away in the
particles. All stages of this disease has been curred by this
inixture. One of the first hiedical seen is the State of
New York was cured of gracet by this sedicine. Se
Pamphlet.

LIVER COMPLAINTS, Fever and Ague, Bilious Diseases—To the Great West especially, and wherever these complaints prevail this medicine is offered.

NO MINERAL AGENT, no mineral agent of this mineral it cures these diseases with certainty and celerity, and does not leave the system torpid. See Pdmphlet.

So throughly does this mixture act in this disease, that an immediate cure is made. All other remedies are now set aside, as this great vegetable preparation, sele, (for it contains no poisonous mineral, which is the basis of all other rever Ague and remedies.)

SPEEDY AND EFFECTUAL, it is the grand healing medicine, and is daily curing its thousands. The secret of its re-building the entire constitution is, that it is compounded of 22 distinct vegetable stitution is, that it is compounded of 22 distinct properties, each root a remedy distinct by itself. PILES,

a complaint of a most painful character, is

IMMEDIATELY RELIEVED. a cure follows by a few days use of this aracle: it is before any other preparation for this disease, or for any other disease, or for any other preparation for this disease, or for any or disease originating from impure blood. See Page-

other disease originating from impure blood. See Pasphlet.

This disease is purely one of the blood; the action of this medicine, is so speedy that the Piles, whether internal or external, will be tured by its use in a few weeks—Hundreds, perhaps we can say thousands have been perfectly cured in the use of two or three bottles of this mature, and as this cure is produced from the action of the punacea upon the blood, it is more likely to be permanent than any cure produced from external remedies.

DEBILITY OF THE SYSTEM. weak back, weakness of the Kidheys, &c., or inflamma-tion of same, is immediately relieved by a few days use of this medicine, and a cure is always a result of its use. It

A CERTAIN REMEDY

IRREGULARITIES, SUPPRESSIONS, painful menstruations. No article has ever been offered except this which would love this kind of derangement. It may be relied upon as a sure and effective remedy, and did we feel permitted to do so could give

A THOUSAND NAMES A THOUSAND NAMES
as proof of cures in this distressing class of complaints—
See pamphlet. All broken down, debilitated constitutions from the effect of mercury, will find the bracing power of this article to act immediately, and the poisonous mineral eradicated from the system.

The 21 distinct properties which compose this article, manifest themselves particularly in the application of the compound, for the distressing class of complaints which head this paragraph. For centuries there has been used in the north of Europe,

CERTAIN BOTANICAL AGENT. which in all diseases or derangements of the female frame, obstructions, disficulties, painful meastructions, dec. has effected a cure. This ropt is indigenous to our soil, and found in large quantities, and as a medicinal property stands without an equal; it forms one of the compounds in the preparation, which as a whole is the best greater. in the preparation, which as a whole is the best remed ever given to a debilitated female; it is sure, and the sys-tem will be restored to health by its use.

ERUPTIVE DISEASES will find the all the alterative properties of this article
PURIFY THE BLOOD; and drive such diseases from the system. See pamplet for testimony of cures in all diseases, which the limits of an advertisement will not permit to be named here.—Agents give them caugh they contain 32 pages, and certificates of high character, and a stronger

ARRAY OF PROOF

of the virtues of a medicine, never appeared. It is one
of the peculiar features of this article that it never folic
to benefit in any case, and if bone and muscle are left to
build upon, let the emandated and lingering invalid, HOPE ON,

and keep taking the medicine as long as there is an improvement. The proprietor would

CAUTION THE PUBLIC against a number of articles which come out under the SARSAPARILLAS, SYRUPS, &C.

as cures for Dropsy, Gravel, &c. They are good for acting, and concected to still the unwary;

TOUCH THEM NOT. Their inventors never thought of curing such diseases till this article had done it. A particular study of the passive splict is caractly solicifed.

Agents and all who split the article are

GEAD TO CIRCULATE gratuitusty. Put up in 30 oz. bottles, at 32; 19 cs. da. at 61 each—the larger holding 6 oz. more than two small bottles. Look but and not get imposed spons.
