I also make known and give notice as in and by the 13th section of the aforesaid act, I am directed, "that every person except justice of the peace, who shall hold any office or appointment of profit or trust under the United States, or of this State, or of any city or incorporated district, whether a commissioned officer or otherwise, a subordinate officer or agent, who is, or shall be, employed under the legislative, judiciary or executive department of this State or United States, or any city or incorporated district; and also, that every member of Congress, and of the State Legislature, and of the select or common council of any city, or commissioners of any incorporated district, is by law incapable of holding or exercising at the same time, the office or appointment of Judge, Inspector or Clerk of any election of this Commonwealth, and that no inspector or judge or other officers of any such election, shall be eligible to any office then to be voted for."

And by the same act of Assembly it is also made "the duty of every Mayor, Sheriff, Deputy Sheriff, Alderman, Justice of the Peace, Constable or Deputy Constable, of every city, county, township or district within this Commonwealth, whenever called upon by an officer of an election or by three qualified electors thereof, to clear any window or avenue to any window of the place of General Election, which shall be obstructed in such a way as to prevent voters from approaching the same; and it shall be the duty of the respective Constable of such ward, district, or township, within this Commonwealth, to be present in person or by deputy, at the place of holding such Elections, in such ward, district or township, for the purpose of preserving the peace as afore said."

Also that in the 4th section of the act of assembly, entitled "An Act relating to executions, and for other purposes" approved April 16th, 1840, it is enacted that the aforesaid 13th section "shall not be construed as to prevent any militia officer or borough officer from serving as Judge, Inspector or Clerk at any general or special Election in this Commonwealth."

Pursuant to the provisions contained in the 76th section of the act aforesaid, the Judges of the aforesaid districts shall respectively take charge of the certificate or return of the election of their respective districts, and produce them at a meeting of one Judge from each district at the Court House in the Borough of Montrose, on the third day after the day of election being the present year on FRIDAY, the thirteenth day of October next, then and there to do and perform the duties required by law of said Judges. Also, that where a Judge by sickness or unavoidable accident is unable to attend said meeting of Judges, then the certificate or return aforesaid shall be taken charge of by one of the Inspectors or Clerks of the election of said district, who shall do and perform the duties required of said Judge unable to attend.

Also, that in the 61st section of said act, it is enacted that "when two or more counties shall compose a district for the choice of a member or members of the Senate of this Commonwealth or of the House of Representatives of the United States or of this Commonwealth, the Judges of the election in each county, having met as aforesaid, the clerks shall make out a fair statement of all the votes which shall have been given at such election, within the county, for every person voted for, as such a member or members which shall be signed by said judges and attested by the clerks; and one of the said judges shall take charge of such certificate and shall produce the same at a meeting of one judge from each county at such place in such district as is or may be appointed by law for the purpose, which meeting shall be held on the seventh day after the election.

The Return Judges of the Congressional District composed of the counties of Susquehanna, Bradford & Tioga, will meet at the Court House in the Borough of Towanda, Bradford county, on TUESDAY the seventeenth of October next, then and there to do and perform the duties required by law of said judges of the aforesaid Congressional district.

WHAT?

Why are those tears? Why droop your heads?
Is then your other coat killed dead?
Or does a worse disgrace betide?
Hath no one since his death applied?
Alas! the cause you too well know,
Aye, twig the work of Johny Groves.

A Turkey, tired of common food,
Forsook the barn and sought the wood;
Then should we blame the smaller BIRD
For leaving thus the common herd,
Soaring out in Talloration,
Behold the Grandeur of his station!—GAY.
