speaks for itself!

At the solicitation of a number of highly respectable and influential men in this county, and prompted in a measure by a desire to renself "a Democrat," and proves himself some- him, and such as will scarcely permit a consistthing else)—"he intends to vote for Martin ent democrat to vote for him. He stands beto the cause of republican principles—the rights. This is intended to be explanatory of all his to the cause of republican principles—the rights other letters, and particularly of the four country—and in de tory over Cass and Butler." How such a vic-tory? unless the friends of Cass and Butler against the National Administration. Who ments which have been attempted upon it by no party—no pledges—positions and his hith-the present party in power, I have connected erto declared unwillingness to be the exponent myself with this paper, with the design, in conjunction with its former proprietor, to make it a permanent as well as a useful Journal.

The circumstance of the recent political mutation of the Volunteer, and its final abandonment, is generally known. That the measure republican cause deeply lamented, cannot be denied. And although for a time had the effect to dampen the spirits of the National Republican Party in this county, yet I trust that n the end no bad consequences to the cause

in the end no bad consequences to the cause will arise from it.

It probably is generally recollected that during the contest for the Presidency in 1828, I was concerned in the publication of the 'Susquehanna Register,' and advocated the election of Andrew Jackson. Should it be asked why I am now against him, I reply that he has long ago abandoned every principle upon which he was originally supported and elected, to say nothing of his flagrant and high handed attacks upon the independence of Congress, the National Judiciary, and the Constitution. My opposition to Gen. Jackson is not of a recent date ——I openly declared it immediately upon his being announced as a candidate for re-election. most nazardous undertakings, and lears are entered to particularly useful, as it will apprise them of all Agrical being announced as a candidate for re-election.
