HYER'S PILLS.

The American Improved
Hygeian Vegetable Medicine.

The best general Family Medicine ever known; effectual in all complaints incident to the Human System, if timely applied; and approval guaranteed, if used as directed.

The Hyer's Pills are purely vegetable, of two kinds —stimulant and purgative—and in their operation effectually aid digestion, thereby securing all the purposes for which food is introduced into the stomach—namely—the proper nourishment of every part of the system; giving consistency and strength to the muscular fibre, purity to the blood, and elasticity and cheerfulness to the temper and disposition: thus demonstrating the proposition laid down in the American Improved Hygeian Vegetable Treatment, that all diseases are essentially the same; and, timely attended to, may be cured by the simplest process—correcting and regulating the stomach, or digestion—substantially the source (in derangement) of all disease.

In all lingering complaints—general debility; dyspeptical, nervous, rheumatic and billious affections, generally; colds or coughs—all pulmonary affections in their incipient stages; nervous or sick head ache; palpitation of the heart, or irregular pulsation in any form; habitual costiveness—all continued derangement, or obstruction, in the system, especially with females—they are recommended with unreserved confidence; a confidence based upon a personal experience with, and an invariably successful use of them as a general family medicine, in the Proprietor's own family, for a period of upwards of sixteen years, and an actual knowledge of their similar use in many other families, and by numberless individuals, during the same period.

No medical compound has ever yet been presented that will leave the system in a better, or even as good, condition as this, under its prescribed use. As a standard family medicine it is at once the *safest, cheapest*, and *wild est*, as well as the most effectual in the world; and its prompt use, on the first indication of illness, will invariably save much sickness, as well as great expense. Every family should keep it by them; and no family will, in fact, remain without it, after becoming acquainted with it, and its proper administration.

☞The Pills are put up in Fifty Cent and Dollar Packages, each containing three boxes—one of No. 1, and two No. 2 pills—with a pamphlet, embracing a valuable of satise on disease, and full directions for the use of the Medicine.

☞ The Half Dollar package contains between *eighty* and *ninety*, and the Dollar package from *two hundred and ten to two hundred and twenty* Pills!! rendering them the cheapest preperation extant!

GENERAL DEPOT,
130 Fulton Street, Sun Building, New York.

☞ A dollar package of Hyer's Pills or 200 of the Alterative Pill, sent POST FREE, from the General Depot, to any address in the U. States, on receipt of $1, free of expense. Address the undersigned, Sole Proprietor, at the Depot, as above.

Price's Hygeian Alterative.

This is a purely vegetable preparation—based on the same important principle as the Hyer's Pills—*a gentle but certain aid to nature*—combining the most important Medicinial properties in the best form for imparting tone and action to the parts to be affected, and at the same time cleanse the system of impurities.

In chronic or lingering complaints, the Hyer's Pills are more particularly recommended; but in temporary complaints, or when a temporary action only is needed, or there is not time to go through with regular courses of the Hyer's Pills, the alterative may be taken with perfect safety and success.

In sudden colds, uneasiness in the stomach or bowels, pains in the head, or after exposure to cold or wet—especially in cases of excess, or late suppers—a prompt use of the pills will afford immediate relief. Two to four, (according to the state of the system and its susceptibility to Cathartic action,) taken on retiring at night, will give sound sleep, and restore the healthy tone of the body.

The Pills are put up in single boxes, containing 38 to 40 pills—generally 40—at 25 cts. per box; being *cheaper* as well as better, than any other preparation.

Conclusion of the Whole Matter.

With a judicious use of Hyer's Pills, or this Alterative—a strict adherence to directions—few families will find occasion for calling in a physician, save in surgical or obstetric cases, thus constituting, substantially,

MANUFACTURE and keep constantly on hand, a large assortment of the above articles, together with their Patent Improved Salamander Fire-Proof Safes, which are so constructed as to set at rest all manner of doubt as to their being strictly fire proof, and that they will resist the fire of any building. The outside cases of these Safes are made of boiler iron, the inside case of soapstone, and between the outer case and inner case is a space of some three inches thick, and is filled in with indestructible material, so as to make it an impossibility to burn any of the contents inside of this Chest. These Soapstone Salamanders we are prepared and do challenge the world to produce any article in the shape of Book Safes that will stand as much heat, and we hold ourselves ready at all times to have them fairly tested by public bonfire. We also continue to manufacture a large assortment of our Premium Air-tight Fire-proof Safes, of which there are over 800 now in use, and in every instance they have given entire satisfaction to the purchasers—of which we will refer the public to a few gentlemen who have them in use.

Great Remedy!

Western New York

COLLEGE OF HEALTH,

207 Main-Street, Buffalo, N. Y.

DR. G. C. VAUGHN'S

Vegetable Lithontriptic Mixture.

THIS celebrated remedy is constantly increasing its fame by the many cures it is making.

ALL OVER THE WORLD.

It has now become *the only medicine for family use*, and is particularly recommended for

DROPSY:

all stages of this complaint immediately relieved, no matter of how long standing. *See Pamphlet for testimony.*—This disease is as frightful, as Cholera, and the slow and dreadful progress of the malady, *bloating the system* to a degree which renders the patient *utterly unable to move*, forms one of its most distressing features.

HITHERTO INCURABLE,

it now yields to this remedy—and Physicians use it publicly and privately with perfect success. Let any one who has ever had a symptom of Dropsy, of any character, keep this article by them and if they would avoid *the unnatural*

APPLICATION OF THE KNIFE,

to perforate the system and let the accumulated water flow away, only to fill up again, and finally *end in a dreadful death*, let them just use this remedy in season, and a recovery is sure. Let them try it at any stage of this disease, and a cure is certain, if they will give it a *fair* trial.

GRAVEL,

and all diseases of the urinary organs; for these distressing complaints *it stands alone*; no other article can relieve you; and the cures testified to will convince the most skeptical—*see pamphlet.*

How many suffer from this painful complaint, and fancy there is no cure. You may *think* you have gravel when there is only inflammation—there may be calculi—and yet it may be hardly formed—it may even be stone in the bladder, yet you are sure of a cure in all but the last named disease, and if stone in the bladder does exist, by the aid of this medicine all inflammation caused by it will subside, and unless the formation is of years standing, the calculi is dissolved, and brought away in fine particles. All stages of this disease has been cured by this mixture. *One of the first Medical men in the State of New York was cured of gravel by this medicine. See Pamphlet.*

LIVER COMPLAINTS.

Fever and Ague, Bilious Diseases—To the Great West especially, and wherever these complaints prevail this medicine is offered.

NO MINERAL AGENT,

no deleterious compound is a part of this mixture, it cures these diseases with certainty and celerity, and does not leave the system torpid. *See Pamphlet.*

So thoroughly does this mixture act in this disease, that an immediate cure is made. All other remedies are now set aside, as this great vegetable preparation, *safe*, (for it contains no poisonous mineral, which is the basis of all other Fever Ague and remedies,)

SPEEDY AND EFFECTUAL,

it is the grand healing medicine, and is daily curing its thousands. The secret of its re-building the entire constitution is, that it is compounded of 22 distinct vegetable properties, each root a remedy distinct by itself.

PILES,

a complaint of a most painful character, is

IMMEDIATELY RELIEVED,

and a cure follows by a few days use of this article: it is *far before any other preparation for this disease*, or for any other disease originating from impure blood. *See Pamphlet.*

This disease is purely one of the blood; the action of this medicine, is so speedy that the Piles, whether internal or external, will be cured by its use in a few weeks.—Hundreds, perhaps we can say thousands have been perfectly cured in the use of two or three bottles of this mixture, and as this cure is produced from the action of this pruncea upon the blood, it is more likely to be permanent than any cure produced from external remedies.

DEBILITY OF THE SYSTEM,

weak back, weakness of the Kidneys, &c., or inflammation of same, *is immediately relieved by a few days use of this medicine*, and a cure is always a result of its use. It stands as

A CERTAIN REMEDY

for such complaints, and also for derangements of the female frame,

IRREGULARITIES, SUPPRESSIONS,

painful menstruations. *No article has ever been offered except this which would touch this kind of derangements.* It may be relied upon as a sure and effective remedy, and this we feel permitted to do so could give

A THOUSAND NAMES

as proof of cures in this distressing class of complaints. See pamphlet. *All broken down, debilitated constitutions* from the effect of mercury, will find the bracing power of this article to act immediately, and the poisonous mineral eradicated from the system.

The 22 *distinct properties* which compose this article, manifest themselves particularly in the application of the compound, for the distressing class of complaints which head this paragraph. *For centuries there has been used in the north of Europe, a*

CERTAIN BOTANICAL AGENT,

which in all diseases or derangements of the female frame, *obstructions, difficulties, painful menstruations, &c.* has effected a cure. This root is indigenous to our soil, and found in large quantities, and as a medicinal property stands without an equal; it forms one of the compounds in the preparation, which as a whole is the best remedy ever given to a debilitated female; it is sure, and the system will be restored to health by its use.

ERUPTIVE DISEASES

will find the alterative properties of this article

PURIFY THE BLOOD,

and drive such diseases from the system. *See pamphlet* for testimony of cures in all diseases, which the limits of an advertisement will not permit to be named here.—*Agents give them away*; they contain 32 pages, and certificates of high character, and a stronger

ARRAY OF PROOF

of the virtues of a medicine, never appeared. *It is one of the peculiar features of this article that it never fails to benefit in any case, and if bone and muscle are left to build upon, let the emaciated and lingering invalid.*

HOPE ON,

and keep taking the medicine as long as there is an improvement. The proprietor would

CAUTION THE PUBLIC

against a number of articles which come out under the head of

SARSAPARILLAS, SYRUPS, &C.

as cures for Dropsy, Gravel, &c. *They are good for nothing*, and concocted to gull the unwary;

TOUCH THEM NOT.

Their inventors never thought of curing such diseases till this article had done it. *A particular study of the pamphlet is earnestly solicited.*

Agents and all who sell the article are

GLAD TO CIRCULATE

gratuitously. Put up in 30 oz. bottles, at $3; 12 oz. do. at $1 each—the larger holding 6 oz. more than two small bottles. *Look out and not get imposed upon.* Every bottle has "Vaughn's Vegetable Lithontriptic Mixture," blown upon the glass, the *written* signature of "G. C. Vaughn" on the directions, and "G. C. Vaughn, Buffalo," *stamped on the cork.* None other are genuine. Prepared by Dr. G. C. Vaughn, and sold at the Principal Office, 207 Main street, Buffalo, at wholesale and retail. No attention given to letters unless post paid. *Orders from regularly constituted Agents excepted.* Post paid letters, or verbal communications soliciting advice, promptly attended to, gratis. For sale by all respectable Druggists in the United States and Canada.

Six Years Ago

THE children began to cry for Sherman's Lozenges. The noise was not soloud at that time, but it has kept increasing ever since, and now has become so great that the mouths of the little ones can scarcely be stopped. Dr. Sherman sympathises with the little sufferers, and very much regrets that any of them should be disappointed. Knowing the vast benefit which has been conferred upon the community by the introduction of his invaluable

WORM LOZENGES,

Lozenges be made as they have always been, in order that those who depend upon them may not be disappointed in their hopes. He knew when he commenced the manufacture of the Worm Lozenges that they would supersede the use of every other vermifuge, as the Lozenges is very pleasant to the taste, speedy in its effects, as well as certain and the quantity required to effect a perfect cure is very small. These properties in connection with the fact that they are sold for 25 cents per box, thus placing them in the reach of the poorest man in the land has not only caused them to take the place of every other vermifuge ever offered but also rendered them popular to the community.

COUGH LOZENGES

continue to cure Coughs, Colds, Consumption, Asthma, shortness and difficulty of breathing, and other diseases of the lungs, with the same facility they did on their first introduction, and the people have now become persuaded by actual experience, that on the accession of a slight cold, they have only to step to either the Dr.'s office or one of his Agents; and obtain a box of his cough Lozenges, which are very convenient to carry in the pocket, and to take a few through the day. By pursuing this course a cure is often effected in 24 hours, and the patient about his business. So great is the celebrity of the Lozenges, that thousands of persons who have used them, and become acquainted with their effects will never be without them.

Sherman's Poor Man's Plaster

has cured more cases of Rheumatism, pain in the back, side and chest, Lumbago and Weakness, than any application that has ever been made. As the celebrity of the plaster has increased, hundreds of unprincipled rascals have attempted to counterfeit it, and palm it off upon the community as genuine. Beware of deception. Remember that the true and genuine plaster is spread upon reddish paper, made expressly for the purpose, and in every case the signature of Dr. Sherman is printed on the back of the plaster, and the wholesale agent by copy right. None other is are genuine. Therefore when you want a real good Sherman's Poor Man's Plaster, call at the office, 106 Nassau St. and you will not be disappointed.

Remember the number, 106 Nassau street, where all Dr. Sherman's Lozenges are sold.

GREAT REMEDY OF THE FOREST!

Strong & Osgood's Vegetable

PHYSANTHROPIC PILLS.

THE Proprietors take this method of making known to the world the most valuable and important discovery ever recorded in the history of medicine.

In testing by chemical experiment, the medicinal properties of a rare plant, which grows along the banks of the Waspelpinicon River, in Iowa, they discovered that it possessed a healing and restoring power, which, in their opinion, in combination with other remedies the result of their medical researches, would render it a

GRAND CATHOLICON

for a suffering world. The remedial powers of this plant were tested with the least possible delay, and in hundreds of instances, they proved fully adequate to the complete and perfect removal of disease in any and every form, and it is confidently believed that the remedy is destined to produce an entire revolution in the medical world.—Facts in their possession fully warrant them in making the astounding announcement, that it immeasurably surpasses in its power to uproot and expel disease, every other medicine now known.

This Great Remedy

has been administered in order to test its power to vast numbers of patients, in the most hopeless cases, such as had baffled the skill of the most eminent physicians, and had proved too obstinate to be removed by any of the numerous remedies of the day, and to the perfect astonishment of all, it effected complete and permanent cures; thus brilliantly triumphing, not only over the greatest remedies known to the medical profession, but over all the Pills, Syrups and Panaceas, whose virtues are so loudly trumpeted throughout the length and breadth of the land.

As a General Family Medicine

the proprietors challenge the world to produce its equal. It acts in perfect harmony with the laws of nature, and completely purifies the Blood, a vitiated state of which is the cause of all disease. It has been administered in Asthma, Apoplexy, Barbers' Itch, Canker, Catarrh, Cholera Morbus, Colic, Colds, Cough, Consumption, Croup, Cramps and Convulsions, Cancerous Sores and Ulcers, Dropsy, Dyspepsia, Dysentary, Epilipsy, Erysipelas, Enlargement of the Spleen, Fever and Ague, Female Complaints, Fevers of all kinds, Gravel, Gout, Hysterics, Inflamation of the Liver, Lungs, Kidneys and Bladder, Indigestion, Jaundice, Leprosy, Liver Complaint Neuralgia, Palpitation of the Heart, Piles, Scrofula, Spinal Complaint, Salt Rheum, Scald Head, Syphilis Suppression of the Menses, Tic Doulloureux, &c. The proprietors have yet to learn that it has failed in a *single instance* of effecting a cure.

As a Preventive

of disease, it is entitled to the fullest confidence of the community. An immense amount of suffering, time and money has been saved by a timely use of it.

It has already crossed the Atlantic, and measures are now in progress to extend the blessings of this GREAT REMEDY throughout the world.

The proprietors invite the sick to try a single box and they feel assured that they will be perfectly satisfied with the entire truthfulness of their representations.

Dillow's celebrated Heave Cure,

Which has been used with such astonishing effect in France and England for the last twenty years, is now and has been for the last two years performing the most wonderful cures ever on record in this country. Heretofore the disease called the heaves has been regarded as an incurable malady, and thousands have searched their storehouse of facts, and taxed their inventive genius in vain, to find a remedy for this affliction. The great desideratum has at last been attained. More than 2000 cases of heaves, 1500 cases of chronic coughs and colds, 1000 cases of Catarrh and Nasal Fleet, 1500 cases of Affection of bronchial tubes and glands, 500 cases of thick and broken wind, and 800 cases of Inflamation of the lungs, have been cured by this extraordinary remedy, since its introduction in the United States.

Dillow's invaluable heave cure is universally admitted to be a sure specific in these formidable diseases; and all those who have tested its virtue, by a fair trial, lavish encomiums upon its efficacy. It is not only a safe and speedy cure for the above diseases, but will also be found useful in the Glanders, and given in season will expel bots or worms, it is also

Universal Condition Medicine.

It is warranted to thoroughly cure the worst cough in one week and will generally eradicate the heaves, permanently in two weeks, and produce a fine glossy appearance to the hair, and improve in every way the condition of the horse. Persons, who own valuable horses, need not fear to administer it to them, as it is warranted to be entirely free from any deleterious ingredient; and they should always keep one or more papers of this powder on hand, in order that it may be administered as soon as the first symptoms of the disease appear, which will be a slight cough and difficulty in breathing. It must be quite obvious to every person, that by repeatedly driving horses through rain and snow they will contract colds, which if neglected, will terminate in the heaves.

Give the powder a trial and it will recommend itself.

☞ Caution—The astonishing success of Dillow's Heave Cure for the last two years, in the United States has induced several persons to imitate and counterfeit it and they even go so far as to caution the public against it, and endeavor thereby palm off their nostrums as the only genuine article. We declare that "Dillow's heave cure" is the first article of the kind ever introduced in the United States, and we hereby offer the sum of "One Thousand Dollars", to any person or persons who will prove to the contrary. All others are imitations.

We caution the public against all Heave Powders, or "Heave compounds," that have not the written signature of R. G. Grant on the inside of each wrapper, be sure to ask for "Dillow's heave cure." ☞ Be careful that and see that you get it, as it is the only remedy that you can depend upon to thoroughly eradicate the above diseases.

Silence that Dreadful Cough!

The Lungs are in danger, the work of the destroyer has been begun, the cough of consumption hath in it the sound of death.

Are you a mother? Your darling child your idol and earthly joy, is now perhaps confined to her chamber by a dangerous cold—her pale cheeks, her thin shrunken fingers, tell the hold disease has already gained upon her—the sound of her sepulchral cough pierces your soul.

Young man, when just about to enter life, disease sheds a heart chilling blight over the fair prospects of the future—your hectic cough and feeble limbs tell of your loss of hope, but you need not despair. There is a balm which will heal the wounded lungs. It is,

Sherman's All-healing Balsam.

Mrs. Attree, the wife of Wm. H. Attree, Esq., was given up by Dr. Sewall of Washington, Drs. Roe and McClellahd of Philadelphia, Drs. Roe and Mott of New York. Her friends all thought she must die. She had every appearance of being in consumption, and was so pronounced by her physicians—Sherman's Balsam was given and it cured her.

Mrs. Garrabrantz, of Bull's Ferry, was also cured of consumption by this Balsam when all other remedies failed to give relief —she was reduced to a skeleton. Dr. A. C. Castle, Dentist, 281 Broadway, has witnessed its effects in curing Asthma, which it never fails of doing. Spitting Blood, alarming as it may be, is effectually cured by this Balsam. It heals the ruptured or wounded blood vessels, and makes the lungs sound again.

Rev. Henry Jones, 102 Eighth avenue, was cured of cough and catarrhal affection of 50 years standing. The first dose gave him more relief than all the other medicine he had ever taken. Dr. L. J. Beels, 19 Delancy street, gave it to a sister in law who was laboring under consumption, and to another sorely afflicted with the Asthma. In both cases its effects immediate were soon restoring them to comfortable health.

Mrs Lucretia Wells, 95 bristle st. suffered from Asthma 43 years. Sherman's Balsam relieved her at once, and she is comparatively well, being enabled to subdue every attack by a timely use of this medicine. This indeed is the great remedy for Coughs, Colds, Spitting blood, Liver Complaints, and all the affections of the throat; and even Asthma and consumption.

Put up in Large Bottles.

A more remarkable health restoring medicine, was never before discovered. This great compound is the result of seven years unremiting labor, research, and experiment, of that profound and scientific medical scholar, Dr. James Boswerth, M. D., professor in the Edinburg Medical Institute. It has become the Highlander's universal panacea; he keeps it always in his house, as a preventative or as a physician when disease, in any of the above forms has made an attack. It soon became known, and exceedingly popular, after its introduction, for from an account of it, published in Chamber's Edinburg Journal, it reached the unprecedented sale of 357,000 bottles in the two first years. This great health restorer was first introduced this side of the Atlantic by Dr. Julian Dement, of Halifax, who had travelled in Europe on a professional tour, and became acquainted with its remarkable virtues while visiting the various hospitals, in all of which it was made a standard remedy. It is highly recommended by physicians and gentlemen of the highest standing in this country, who have used it and possess a full knowledge of its operation. So celebrated has it become, that it has now reched the enormous weekly sale of over

10,000 BOTTLES.
