AMERICAN REMEDY

WESTERN NEW YORK

COLLEGE OF HEALTH,

207 Main-Street, Buffalo, N. Y.

DR. G. C. VAUGHN'S

Vegetable Lithontriptic Mixture.

THIS celebrated remedy is constantly increasing its fame by the many cures it is making

ALL OVER THE WORLD.

It has now become *the only medicine for family use*, and is particularly recommended for

DROPSY:

all stages of this complaint immediately relieved, no matter of how long standing. *See Pamphlet for testimony.*—This disease is as frightful, as CHOLERA, and the slow and dreadful progress of the malady, *bloating the system* to a degree which renders the patient *utterly unable to move*, forms one of its most distressing features.

HITHERTO INCURABLE,

it now yields to this remedy—and Physicians use it publicly and privately with perfect success. Let any one who has ever had a symptom of Dropsy, of any character, keep this article by them and if they would avoid *the unnatural*

APPLICATION OF THE KNIFE.

to perforate the system and let the accumulated water flow away only to fill up again, and finally *end in a dreadful death*, let them just use this remedy in season, and a recovery is sure. Let them try it at any stage of this disease, and a cure is certain, if they will give it a *fair* trial.

GRAVEL,

and all diseases of the urinary organs; for these distressing complaints *it stands alone*; no other article can relieve you and the cures testified to will convince the most skeptical:—*see pamphlet.*

How many suffer from this painful complaint, and fancy there is no cure. You may *think* you have gravel when there is only inflammation—there may be calculi—and yet it may be hardly formed—it may even be stone in the bladder, yet you are sure of a cure in all but the last named disease, and if stone in the bladder does exist, by the aid of this medicine all inflammation caused by it will subside, and unless the formation is of years standing, the calculi is dissolved, and brought away in fine particles. All stages of this disease has been cured by this mixture. *One of the first Medical men in the State of New York was cured of gravel by this medicine. See Pamphlet.*

LIVER COMPLAINTS.

Fever and Ague, Bilious Diseases—To the Great West especially, and wherever these complaints prevail this medicine is offered.

NO MINERAL AGENT,

no deleterious compound is a part of this mixture, it cures these diseases with certainty and celerity, and does not leave the system torpid. *See Pamphlet.*

So thoroughly does this mixture act in this disease, that an immediate cure is made. All other remedies are now set aside, as this great vegetable preparation, *safe*, (for it contains no poisonous mineral, which is the basis of all other Fever Ague and remedies,)

SPEEDY AND EFFECTUAL,

it is the grand healing medicine, and is daily curing its thousands. The secret of its re-building the entire constitution is, that it is compounded of 22 distinct vegetable properties, each root a remedy distinct by itself.

PILES,

a complaint of a most painful character, is

IMMEDIATELY RELIEVED,

and a cure follows by a few days use of this article: it is *far before any other preparation for this disease*, or for any other disease originating from impure blood. *See Pamphlet.*

This disease is purely one of the blood; the action of this medicine, is so speedy that the Piles, whether internal or external, will be cured by its use in a few weeks.—Hundreds, perhaps we can say thousands have been perfectly cured in the use of two or three bottles of this mixture, and as this cure is produced from the action of this panacea upon the blood, it is more likely to be permanent than any cure produced from external remedies.

DEBILITY OF THE SYSTEM,

weak back, weakness of the Kidneys, &c., or inflammation of same, *is immediately relieved by a few days use of this medicine*, and a cure is always a result of its use. It stands as

A CERTAIN REMEDY

for such complaints, and also for derangements of the female frame,

IRREGULARITIES, SUPPRESSIONS,

painful menstruations. *No article has ever been offered except this which would touch this kind of derangements.* It may be relied upon as a sure and effective remedy, and did we feel permitted to do so could give

A THOUSAND NAMES

as proof of cures in this distressing class of complaints. See pamphlet. *All broken down, debilitated constitutions* from the effect of mercury, will find the bracing power of this article to act immediately, and the poisonous mineral eradicated from the system.

The 22 *distinct properties* which compose this article, manifest themselves particularly in the application of the compound, for the distressing class of complaints which head this paragraph. *For centuries there has been used in the north of Europe, a*

CERTAIN BOTANICAL AGENT,

which in all diseases or derangements of the female frame, *obstructions, difficulties, painful menstruations*, &c. has effected a cure. This root is indigenous to our soil, and found in large quantities, and as a medicinal property stands without an equal; it forms one of the compounds in the preparation, which as a whole is the best remedy ever given to a debilitated female: it is sure, and the system will be restored to health by its use.

ERUPTIVE DISEASES

will find the alterative properties of this article

PURIFY THE BLOOD,

and drive such diseases from the system. *See pamphlet* for testimony of cures in all diseases, which the limits of an advertisement will not permit to be named here. *Agents give them away*; they contain 32 pages, and certificates of high character, and a stronger

ARRAY OF PROOF

of the virtues of a medicine, never appeared. *It is one of the peculiar features of this article that it never fails to benefit in any case, and if bone and muscle are left to build upon, let the emaciated and lingering invalid,*

HOPE ON,

and keep taking the medicine as long as there is an improvement. The proprietor would

CAUTION THE PUBLIC

against a number of articles which come out under the head of

SARSAPARILLAS, SYRUPS, &C.,

as cures for Dropsy, Gravel, &c. *They are good for nothing*, and conceived to gull the unwary:

TOUCH THEM NOT.

Their inventors never thought of curing such diseases till unsolicited had done it. *A particular study of the pamphlet is earnestly solicited.*

Agents and all who sell the article are

GLAD TO CIRCULATE

gratuitously. Put up in 20 oz. bottles, at $2; 12 oz. do. at $1 each—the larger holding 6 oz. more than two small bottles. *Look out and not get imposed upon.* Every bottle has "Vaughn's Vegetable Lithontriptic Mixture," blown upon the glass, the *written* signature of "G. C. Vaughn" on the directions, and "G. C. Vaughn, Buffalo," *stamped on the cork.* None other are genuine. Prepared by Dr. G. C. Vaughn, and sold at the Principal Office, 207 Main street, Buffalo, at wholesale and retail. No attention given to letters unless post paid. *Orders from regularly constituted Agents excepted.* Post paid letters, or verbal communications soliciting advice, promptly attended to, gratis. For sale by all respectable Druggists in the United States and Canada.

Six Years Ago,

THE children began to cry for Sherman's Lozenges. The cause was not so loud at that time, but it has kept increasing ever since, and now has become so great that the mouths of the little ones can scarcely be stopped. Dr. Sherman sympathises with the little sufferers, and very much regrets that any of them should be disappointed. Knowing the vast benefit which has been conferred upon the community by the introduction of his invaluable

WORM LOZENGES,

Lozenges he made as they have always been, in order that those who depend upon them may not be disappointed in their hopes. He knew when he commenced the manufacture of the Worm Lozenges that they would supersede the use of every other vermifuge, as the Lozenges is very pleasant to the taste, speedy in its effects, as well as certain and the quantity required to effect a perfect cure is very small. These properties in connection with the fact that they are sold for 25 cents per box, thus placing them in the reach of the poorest man in the land has not only caused them to take the place of every other vermifuge ever offered but also rendered them popular to the community.

COUGH LOZENGES

continue to cure Coughs, Colds, Consumption, Asthma, shortness and difficulty of breathing, and other diseases of the lungs, with the same facility they did on their first introduction, and the people have now become persuaded by actual experience, that on the accession of a slight cold, they have only to step to either the Dr's. office or one of his Agents; and obtain a box of his cough Lozenges, which are very convenient to carry in the pocket, and to take a few through the day. By pursuing this course a cure is often effected in 24 hours, and the patient about his business. So great is the celebrity of the Lozenges, that thousands of persons who have used them, and become acquainted with their effects will never be without them.

Sherman's Poor Man's Plaster

has earned more cases of Rheumatism, pain in the back, side and chest, Lumbago and Weakness, than any application that has ever been made. As the celebrity of the plaster has increased, hundreds of unprincipled rascals have attempted to counterfeit it, and palm it off upon the community as genuine. Beware of deception. Remember that the true and genuine plaster is spread upon reddish paper, made expressly for the purpose, and in every case the signature of Dr. Sherman is printed on the back of the plaster, and the wholesecured by copy right. None others are genuine. Therefore when you want a real good Sherman's Poor Man's Plaster, call at the office, 106 Nassau St. and you will not be disappointed.

Remember the number, 106 Nassau street, where all Dr. Sherman's Lozenges are sold.

GREAT REMEDY OF THE FOREST!

Strong & Osgood's Vegetable

PHYSANTHROPIC PILLS.

THE Proprietors take this method of making known to the world the most valuable and important discovery ever recorded in the history of medicine.

In testing by chemical experiment, the medicinal properties of a rare plant, which grows along the banks of the Wapesepincon River, in Iowa, they discovered that it possessed a healing and restoring power, which, in their opinion, in combination with other remedies the result of their medical researches, would render it a

GRAND CATHOLICON

for a suffering world. The remedial powers of this plant were tested with the least possible delay, and in hundreds of instances, they proved fully adequate to the complete and perfect removal of disease in any and every form, and it is confidently believed that the remedy is destined to produce an entire revolution in the medical world.—Facts in their possession fully warrant them in making the astounding announcement, that it immeasurably surpasses in its power to uproot and expel disease, every other medicine now known.

This Great Remedy

has been administered in order to test its power to vast numbers of patients, in the most hopeless cases, such as had baffled the skill of the most eminent physicians, and had proved too obstinate to be removed by any of the numerous remedies of the day, and to the perfect astonishment of all, it effected complete and permanent cures; thus brilliantly triumphing, not only over the greatest remedies known to the medical profession, but over all the Pills, Syrups and Panaceas, whose virtues are so loudly trumpeted throughout the length and breadth of the land.

As a General Family Medicine

the proprietors challenge the world to produce its equal. It acts in perfect harmony with the laws of nature, and completely purifies the Blood, a vitiated state of which is the cause of all disease. It has been administered in Asthma, Apoplexy, Barbers' Itch, Canker, Catarrh, Cholera Morbus, Colic, Colds, Cough, Consumption, Croup, Cramps and Convulsions, Cancerous Sores and Ulcers, Dropsy, Dyspepsia, Dysentary, Epilipsy, Erysipelas, Enlargement of the Spleen, Fever and Augue, Female Complaints, Fevers of all kinds, Gravel, Gout, Hysterics, Inflamation of the Liver, Lungs, Kidneys and Bladder, Indigestion, Jaundice, Leprosy, Liver Complaint Neuralgia, Palpitation of the Heart, Piles, Scrofula, Spinal Complaint, Salt Rheum, Scald Head, Syphilis Suppression of the Menses, Tic Douloureux, &c. The proprietors have yet to learn that it has failed in a *single instance* of effecting a cure.

As a Preventive

of disease, it is entitled to the fullest confidence of the community. As immense amount of suffering, time and money has been saved by a timely use of it.

It has already crossed the Atlantic, and measures are now in progress to extend the blessings of this GREAT REMEDY throughout the world.

The proprietors invite the sick to try a single box and they feel assured that they will be perfectly satisfied with the entire truthfulness of their representations

Important to Owners of Horses,

Dillow's celebrated Heave Cure,

WHICH has been used with such astonishing effect in France and England for the last twenty years, is now and has been for the last two years performing the most wonderful cures ever on record in this country. Heretofore the disease called the heaves has been regarded as an incurable malady, and thousands have searched their store house of facts, and taxed their inventive genius in vain, to find a remedy for this affliction. The great desideratum has at last been attained. More than 2000 cases of heaves, 1300 cases of chronic coughs and colds, 1000 cases of Catarrah and Nasal Fleet, 1500 cases of Affection of bronchial tubes and glands, 500 cases of thick and broken wind, and 800 cases of inflamation of the lungs, have been cured by this extraordinary remedy, since its introduction in the United States.

Dillow's invaluable heave cure is universally admitted to be a sure specific in these formidable diseases; and all those who have tested its virtue, by a fair trial, lavish encomiums upon its efficacy. It is not only a safe and speedy cure for the above diseases, but will also be found useful in the Glanders, and given in season will expel bots or worms, it is also

Universal Condition Medicine.

It is warranted to thoroughly cure the worst cough in one week and will generally eradicate the heaves, permanently in two weeks, and produce a fine glossy appearance to the hair, and improve in every way the condition of the horse. Persons, who own valuable horses, need not fear to administer it to them, as it is warranted to be entirely free from any deleterious ingredient; and they should always keep one or more papers of this powder on hand, in order that it may be administered as soon as the first symptoms of the disease appear, which will be a slight cough and difficulty in breathing. It must be quite obvious to every person, that by repeatedly driving horses through rain and snow they will contract colds, which if neglected, will terminate in the heaves.

Give the powder a trial and it will recommend itself.

☞ CAUTION.—The astonishing success of Dillow's Heave Cure for the last two years, in the United States has induced several persons to imitate and counterfeit it and they even go so far as to caution the public against it, and endeavor thereby palm off their nostrums as the only genuine article. Put up in Large Bottles.

A more remarkable health restoring medicine, was never before discovered. This great compound is the result of seven years unremiting labor, research, and experimen, of that profound and scientific medical scholar, Dr. James Bosworth, M. D., professor in the Edinburg Medical Institute. It has become the Highlander's universal panacea; he keeps it always in his house, as a preventative or as a physician when disease, in any of the above forms has made an attack. It soon became known, and exceedingly popular, after its introduction, for from an account of it, published in Chamber's Edinburg Journal, it reached the unprecedented sale of 357,000 bottles in the two first years. This great health restorer was first introduced this side of the Atlantic by Dr. Julian Demont, of Halifax, who had travelled in Europe on a professional tour, and became acquainted with its remarkable virtues while visiting the various hospitals, in all of which it was made a standard remedy. It is highly recommended by physicians and gentlemen of the highest standing in this country, who have used it and possess a full knowledge of its operation. So celebrated has it become, that it has now reched the enormous weekly sale of over

10,000 BOTTLES.

DISEASES OF THE BOWELS are brought directly under its influence. In the years 1846—'47, in the Highlands of Scotland, when bone diseases greatly prevailed, this medicine cured over 3,000 bad cases which were reported to the Edinburg college of health. There is not a family of any ability in Scotland who would suffer itself to be a week without this medicine, because of its justly acquired reputation as a LIFE PRESERVER, and the College have for the last year received such liberal donations as will pay for the first cost of supplying those poor worthy families who are shown to be unable to procure it. During the same two years, also, were reported to the College as having been cured by its unrivalled medicine, as shown by the College Register,

829 cases of chronic rheumatism,
6002 cases of general debility,
5208 cases of Female Complaints, of all kinds,
4718 cases of dyspepsia,
4507 cases of scrofula,
3200 cases of liver complaint,
2752 diseases of Kidneys and dropsy.
497 cases of consumption.

The most noted Physicians and our Agents in all parts of the United Kingdom, are daily sending in certificates of the most singular and even surprising cures performed by this medicine—of cases of diseases of the Blood, such as Fever Sores, Ulcers, Erysipilas, Pimples on the face etc., together with numerous cases of sick and nervous headache, pains in the side and chest, spinal affections, etc.
