### TERMS OF THE "DEMOCRAT."

## PORTRY.

## AWAY TO THE WEST.

BY WM. K COLE.

to dark fringe on the Michigan fload; Where pale is their beauty, the forest flowers bles. And the earth is yet ministed in forest lind gloom; With the bounds of an ampire: the dark virgin soil, Fall of treasures, awaithout the busbandman's toil

A cay to the West, by the tiuron's groen shore; Where marmering sold in the flickering gleum reassed Hall goes the canopied stream There etands a broad riskin, where the toil of the post May keep the grim demon of Want from the door.

Away in the West, 'neath the brightest of skies, And herizon bounded, the prairie land lies-The prairie land, over whose surface is rolled A garment much fairer than dismonds and gold; There the hard hand of Labor but waveth its wand, And a harvest all golden, springs up from the land.

Away to the West! ye who grovel and pine In the haunts of the many ; in tunnel and mine: Ranish nick-axe and shivel; then, ho! for the plough For a tithe of the labor that dampens your brow, Will place you in plenty-a tithe of your toil, Hake you chief of the manor, and Lord of the soil.

To famishing legions from Europe justified, Ye exiles of bunger, ye seekers of bread. Away with the moment and linger no more By the waves that have borne you across to our s Fraillions and millions as yet there is room. Where the Prairie landsamile and the forest trees bloom

## OUR SHIP.

BY PRANCIS BENNOCK.

A song, a song, brave bearts, a song To the ship is which we ride;
Which bears as along right gullantly,
Defying both wind and tide.
With a dip and a mee like a bird she files,
And we care not for wind or aquall. While faithful officers rule the belm. And heaven smiles o'er as all.

Then a ha seed a hip to the gallant ship gh storm and fram, to a West A home of the brave and free.

With a fearless beend to the depths profound, She rushes with prood disdain; Waile pale lips tall the fears that swell, Lest she never may rise again. With a courser's pride, she page the tide While the charmal pen she dashes with glee In a cateract from ber prow.

Away, away, by night and day, Propelled by steam and wind; The watery waste before her lies, And a fiaming wake behind.

Piratio in thought and doed: In the action's bear of need: ors, and posts, and merchantmer Whose voyagings pever cease, From shore to shore, the wide world o'er, Their heads are the bonds of peace. Then a bo and a hip to the gallant shir. That carries us o'er the sea. Through storm and form, to a western hom

She boasts the brave, the dutiful, The aged and the young ; And women bright and beautiful, And childhood's prattling tongue. With a dip and a fine, like a bird she dies, And we care not for stores or squall : For faithful officery rule the belm,

A bome of the brave and free.

And heaven presents us all. That carried us o'er the sea, Tarongh storm and foum, to a weste A boune of the brave and free. need on board the steemer Niegara, and set it New York, Aug. 31, 1848.

# MISCELLANY.

## Industry in Females.

Industry in a female, is always an important trait. There is indeed, so much uncertainty in mibis about such an intention, Sis?"

### The Country Cousin. BY MISS C. W. BARBER.

"Charles, are you going to Mrs. Smith's

party to night?"
"No Ellen, I am not."

"Now did the sun ever shine on such a prooking fellow before? Here Papa has been sending you to college, and no sooner did you complete your course than off you went scampering all over Europe, like a creature half wild, hunting up antiquities, and plunging into half buried cities. At last you are back again, finished,—polished up by travel and books, until polishing can do no more for you. Your voice Tresching the scholarship of a German it and found that Ellen his only sister had the complexion of an Englishman—the wit of an Irishman, and last though not by any means least the imperial whiskers of a Russian. You The Goldings, the Ledyards, and the Stanyans life, with all the rosy colorings of Hope. are half dead to get an introduction to "Charles

belles this evening? creature. I am not half so important a percreature. I am not half so important a percreature. I am not half so important a percreature is a part of the solution of the continent. I told you in my letter, that I first it is now high tide in Wall-street. Every ten tells that in her he possesses a far more noa swing, and tossed Grace upward until she met with her on the continent. So I did—cellar vomits its pale young man with call skin ble fortune. sonage as you would make me believe myself a swing, and tossed Grace upward until she met with her on the continent. So I did cellar vomits its pale young man with calf-skin ble fortune. to be, and, moreover, I am tired of balls par-came near fainting from dizziness—here was a it was on the Western; somewhere in the vi-memorandum-book, griped firmly as he burries ties, and assemblies. I have seen and admired brook where he had culled moss for her to cinity of Uncle Ephraim Cilbert's farm. You away to one of the innumerable Banks, or swalbeautiful amiable, witty and artificial creatures, we are into baskets—there he had angled, and knew the geography of the place very well lows some wild-looking "short," who rashes called addes, and belles, until Lam heartily sick further on he had chased the hoop. What a when you were a little girl. It afterwards met down and hysterically inquires of his obliging of seeing and admiring. I had rather take a change had come over him since those glad with her in Philadelphia, whither Uncle sent neighbor, Mr. Smith whether be havn't a few nap on the sofa, than chat about French Nov-days! then he was ignorant of the world; now her to finish her school education, and whither hundred over. It is half-past two clock and there, when I was a boy, making dandelionchains for Grace, and setting bird-traps for little Sam. By the way, Ellen is Grace married?"

I "don't know nor care," replied Ellen poùtlion brother, but I find myself bitterly disappointed.

sing at her churning, and Sam whistle.

stantial things. May the Lord deliver me from into beautiful womanhood.
