Further Foreign News.

The Acadia has arrived with seven day's later advices. The news possesses some in-Irish Patriots and to Austria.

No doubts of the existence of the Cholers in and pungent, dauntless sarcasm we have seldom shade lower. England now remain. It is making insidious if ever seen a parallel-and never from any yet, not alarming progress in London and some orator only twenty-three years of age. Nover other English cities and towns. The election of President in France excites ing up for herself in her treatment of these no-

good deal of interest and attention. It is re- ble Patriots : ported that Gen. Cavaignac declines being a desire that the last act of a proceeding which candidate.

The European Times announces that a writ be of short duration, nor have I the indelicate of error has been granted in the case of Smith wish to close the dreary ceremony of a State 18th inst was the time fixed for the ro-hearing the country I have tried to serve would think id the common law Courts of Ireland. It pre- ill of me, I might indeed avail myself of this dicts also that in case their late conviction is solemn moment to vindicate my sentiments and confirmed the prisoners will appeal to the House my conduct. But I have no such fear. The confirmed the prisoners will appeal to the House in country will judge of these sentiments, and that of Lords, and that they may there succeed in country will judge of these sentiments, and that quashing the whole proceedings and finally tri-that in which the jury by which I have been raphing over the Crown. God grant it. At convicted have viewed them; and perhaps, the all events, it is gertain that they can postpone sentence you, my Lords, are about to pronounce,

the ultimate decision for many months. The revolution in Austria is still in progress. It is stated that Yienna has been bombarded Whatever may be the language in which that by Windischgratz and that his troops have, suffered severely; and when the last accounts left, they had failed to make themselves masters of the town. Jellachich has been compelled to retire, and the citizens are determined to destroy the city, rather than surrender .-The defence of Vienna can only be maintained the defence of Saragossa The latest intelligence received via Ralibondi is, that four of the suburbs, viz: Lashtenthal, Sanstrass, Jaggersull, and Erdberg, are in fames, and the cannonade continued without intermission on both sides throughout the day. The troops are in possession of the Northern The troops are in possession with taking any they require no vitantes and the taking any they require no vitantes and they require no vitantes and the taking any they require no vitantes and they require no vitantes and the taking any they require no vitantes and they require no vi barricade had been erected, which was defendei by eight cannons, and as many companies of Burghers. A perpetual fire was kept up against the enemy, but they were beginning to busband the powder. The western conduit. which is in the hands of the enemy, has not been destroyed. The dead are buried on the Glasis, as the church yard is occupied by the

It is my intention to say a few words. I

At Laceyville, Wyoming Co., Pa., Sept. 29th, 1848-Major THOMAS SCOTT PARER, son of Eld. J. W. Parker, of Susquebana Co., in the 32d year of his age. has occupied so much of the public time, should

l'ascribe no vain importance; nor do I claim

for them any high reward. But so it happens,

and it will ever so happen, that they who have

tried to serve their country, no matter how

weak their efforts may have been, are sure to

receive the thanks and blessings of its people.

With the country, then, I leave my memory

my sentiments, my acts, proudly feeling that

found maguilty of the crime of which I was

indicted. For this I entertain not the slightest

feeling of resentment against them; influenced

as they must have been by the charge of the

Lord Chief Justice, they, perhaps, could have

"What of that charge? Any strong ob-

servations upon it, I sincerely feel, would ill

befit the solemnity of this scene; but I would

earnestly besecch of you, my Lords-you, who

preside upon that bench-when the prejudices

returned no other verdict.

In the death of this young man a loss has been sus tained which will be for a long time felt. His active of error has been granted in the case of build miss to the analy occurring of a brand has had been been and his fellow convicts; and that the prosecution with a vain display of words. Did business habits, kind and courteous behaviour, had won of Brien and his fellow convicts; and that the fear that, hereafter, when I shall be no more, for him many warm friends, who deeply regret his sudden dissolution. But the dearest ties of earthly friends could pot retain the spirit when called to "return to Him who gave it." ' He had for several years professed hope in the Christian Religion, and he died in antici pation of a blessed immortality.

His corpse was removed to Bridgwater. and there en terred in the family burying ground, and a sermon was preached by Eld. Taylor, from Job ix. 23; and on the following Sabbath the Rev. Mr. Tenny preached a sermon upon the occasion at Laceyville, from Isa. xxxviii. 1. "Set thy house in order, for thou shalt die and not will be remembered only as the severe and sol-
