Which has been used with such astonishing effect in France and England for he last twenty years, is now and has been for the last two years performing the most wonderful cures ever on record in this country. Herefores the discusse called the heaves has been regarded as an last curable inslady, and thousands have searched their store house of facts, and taxed their investive genics in vain, to find a remedy for this affliction. This great desideratum has at last bean attained. More than 9000 cases of heaves, 1500 cases of chronic coughs and colds, 1000 cases of broachist tubes and glands, 500 cases of thick and broken wind, and 800 cases of inflamation of the lungs, have been cared by this entraordinary remedy, since its introduction in the United States.

Dillow's invaluable heave cure is universally admitted to be a sure specific in these formidable diseases, and all those who have testedits virtue, by a fair trial, lavish encomiums upon its efficacy. It is not only a safe and as poedy cure for the above diseases, but will also be found useful in the Glanders, and given in season will expelbots or worms, it is also

PR. TOWNSENDIS. COMPOUND MATRACT OF SARSAPARILLA. The most extraordinary Medicine in the World!

This Extract is put up in Quart Bettles: it is six these cheaper, pleasanter, and varranted superior to any sold. It cares without veniting, purging, circaing or debilitating the Patient.

The great beauty and superiority of this flaremental over all other medicines is, that while it eradicates the disease, it invigorates the body. It is one of the vary best SFRING AND SUMMER MEDICINES ever known; it not only purifies the whole system and strengthens the person, but it creates new, per and rich blood; a pewer possessed by no other medicine. And in this lies the grand secret of its wonderful secone. It has performed within the last two years more than the sures of severe cases of disease; at least 1500 ever considered incurable. It has saved the lives of save than 10,000 children the past two assesses in the City of law York alone.

Tork alone.

10,000 cases of General Debility and want of Nervous Energy.

Dr. Townsend's Sarsaparille invigorates the whole system permanently. To those who have lost their integrits energy by the effects of medicine or indiscretion committed a youth or the excessive indulgrace of the pension, and brought on by physical propertation of the nervous system lassitude, want of ambition, fainting centrations, removed decay and idecline hartening towards that first decay and idecline hartening towards that first decay and indecline hartening towards that first decay and removed. This Sarsaparille is far supporter to say Invigorating Cordial.
