DE, TOWNSEND'S SARSAPARILLA. The most extraordinary Medicine in the World

This Retract is put up in Quart Bettles: it is six time changes; pleasanter, and warranted superior to any sold. It cures without vomiting, pringing, cickening or debility taking the Patient. tating the Patient.

The great beauty and superiority of this Surspanile over all other medicines is, that while it eredicate the disease, it invigoues the body. It is one of the rety best APRING AND SUMMER MEDICINES ever knows; it not only parises the whole system and strengthens the person best it creates new, pere and rich blood; a power possessed by no other medicine. And in this lies the grand secret of its wooderful sectes. It has performed within the last two years more than 10,000 users of disease; at least 15,000 we considered incurable. It has must the lives of more than 10,000 whilever the part two seasons in the City of New York alone.

10,000 children the past two measures in the City of New York alone.

10,000 children the General Becklity and ware of Rervense Energy.

Dr. Townsend's Sarsparilla invigorate the whole system permanently. To those who have lost their muceslar sating by the effects of medicine or indiscretion committed in youth or the excessive indulgrances of the passion, and brought on by physical prostration of the breves system, leasting, want of ambition, fainting sensations, premative factor and decline hastening towards that faint dismonthing the state of the physical prostration of the physical prostration of the physical prostration. Envigorating Cordial.

As A receive and invigorates the system, give
to the limited sea strength to the muscular sysmost extraordinary degree.

Bheomatism. This only one of more than four thousand cases of these satism that Dr. Townsend's Sarsaparilla has cured. The cost severe and chronic cases are weekly eradicated by its

in the following letter.

Blockwell's Island, Sept. 14 181,
Dr. Townsend—Dear Sir: I have suffered terriby to
nine years with the Rheumatiam; considerable of the time
I could not east, sleep or walk. I had the most distressin
pains, and my limbs were, terribly swollen. I have use
four bottles of your Sarsaparilla, and they have done me mor
than a thousand dollars worth of good. I am so much betterindeal I are notifiedly editions. in a thousand donars worth product a many much bearing lead I am entirely relieved. You are at liberty to me this

Yours respectfully. JAMES CUMMINGS. Dr. Townsend's Sarsaparilla is unequalled in cases of the Chills and Fever and Ague. The following letter is only one of hundreds that we have received from the Soath and West of like character.

West of like character.

Oswego, Mich. Oct. 22, 1847.

Dr. Townsend; Dear Sir—I purchased for my wife two bottles of Sarsisparilla of your Agent, Mr. McNair, of Salsmazoo, to try it for the Fever and Agie. Before I had fainle at the first bottle, it appeared to warm the blood, indevery other day when the Chills and the Fever appeared, they were less violent; and before she had flighted the bottle she was entirely relieved, and she was much better that he had here he fore she cook the America Had the had here he had recome the had here the had here here the state of the America here. she was entirely relieved, and she was much better than she had been before she took the Agne. A judy that had been very sick with the Chills and Feber, but had brobs them with Quinine, and was left in a very, weak and distrained state, and troubly whether the Agne. Cake, seeing the effect it had with the seast and procuped a few bottles, and it, whether the seast had the complete the seast and procuped a few bottles, and it, whether the season health. Your Sarahparilla, is without doubt dregualled it diseases incident to the West and if you dries that this communication will be of use, you are at liberty to me it if you choose.

Pennale Medicine.

Dr. Townsend's Sarsaparilla is a avversign and speal cure for incipient Consumption, Rarranines, Polaps Useri or Falling of the Womb. Contiveness, Piles Leeve thesa, or Whites, obstructed or difficult Menatrustas, it continence of Urine, gor involuntary discharge there and for the general prostration of the system—so mate whether the result of inherent cause or causes produce by irregularity, illness or accident. Nothing can be now surprising than its invigorating effects on the human framework of all weakness and lassitude, from taking it once become robust and full of energy under its infleed its municipality of the product of the product of the invited success of the feest to make of so delicate a manner, and the expected of us, in clases of so delicate a manner, exhibit; cortificates of cures performed, but we can asset the afflicted, that hundreds of cases have been reported in Thousands of cases where families have been without the feet of the invited product of the invited principals and the second of the invited principals and the second of the invited principals. No female who has reason to suppose als is a proaching that critical period. "The turn of life should neglect to take it, as it is a certain preventer any of the numerous and horrible diseases to which some are subject at this time of life. This period may is a layed for several years by using this madicine. For it less: valuable; for those who are approaching your hood, as it is calculated to assist nature by quicken the blood and invigorating the system. Indeed, this medicine is invaluable for all the delicate diseases to which women are subject.

Great Blessing to Mothers and Children

Three Shildren.

Dr. Townsend: Dear Sir.—I have the pleasure to isfer you that three of my children have been cured of the Sci fuls by the use of your excellent medicine. They were fileted very severety with hed sores, have taken four by the si took them away, for which I feel myself used most children.

Yours, respectfully, ISAAC W. CRAIN, 106 Wee Opinions of Physicians.
