The Grand Purgative,

For the cure of Headache, Giddiness, Weasels, Salt Rheum, Rheumatism, Piles (Heirburn, Worms, Dyspepsia, Scurvy, Cholera Morbus, Small Pox, Jaundice, Coughs, Quinsey, pains in the back whooping cough, inward weakness consumption, fits, palpitation of the heart, liver complaint rising in the throat, erysipelas, deafness, dropsy, asthma, itchings of the skin, fevers of all kinds, colds, gout, gravel, female complaints, nervous complaints. And a variety of other diseases arising from impurities of the blood, and obstructions in the organs of digestion.

Experience has proved that nearly every Disease, originates from impurities of the blood, derangements of the digestive organs, and to secure health, we must remove those obstructions or restore the blood to its natural state.

The aversion to taking medicine is most effectually removed by CLICKENER'S Vegetable Purgative Pills, being completely enveloped with a coating of pure white Sugar (which is as distinct from the internal ingredients as a nut shell from the kernel) and have no taste of Medicine, but are as easily swallowed as bits of candy. Moreover they neither nauseate or gripe in the slightest degree, but operate equally on all the diseased parts of the system from the head of expelling them, and reaching the particular region. Thus if the Liver be affected one ingredient will operate on that particular organ, and by cleansing it of any excess of Bile restore it to its natural state. Another will operate on the blood, and remove all impurities in its circulation; while a third will effectually expel whatever impurities may have been discharged into the stomach and hence they strike at the root of disease remove all impure Humors from the body, open the pores externally and internally separate all foreign and obnoxious particles from the chyle so that the blood must be thoroughly pure—thus securing a free and healthy action to the Heart, Lungs and Liver; and thereby they RESTORE HEALTH even when all other means have failed.

The efficacy of the above can be ascertained by the trial of a single box, and their virtues are so positive and certain in restoring Health that the proprietor binds himself to return the money paid for them in all cases where they do not give universal satisfaction.

Retail price, 25 cents per box. Principal office No. 66 Vesey street, New York

☞ Remember Dr C. V. CLICKENER is the inventor of Sugar Coated Pills, and that nothing of the sort was ever heard of until he introduced them in June, 1843. purchasers should, therefore, always ask for Clickener's Sugar Coated Vegetable Pills, and take no others, or they will be made the victims of a fraud.

Great Scotch Medicine!

The Edinburg Purifier, And Health-Restoring Mixture.

FOR THE CURE OF

Consumption, liver complaint, asthmatic affections, dropsy, Scrofula, chronic rheumatism, dyspepsia, general debility, want of energy, female complaints, fever sores, Ulcers, syphilis, bone diseases, swelling of glands, Asthma, corrupt humors, spinal affections, costiveness, Erysipelas, lung complaints bronchitis, coughs, colds, Nervousness strictures, piles, weakly children, lumbago, gout, Mercurial diseases, etc., and all diseases arising from impurities of the Blood.

Put up in Large Bottles.

A more remarkable health restoring medicine, was never before discovered. This great compound is the result of seven years unremitting labor, research, and experiment, of that profound and scientific medical scholar, Dr. James Bosworth, M. D., professor in the Edinburg Medical Institute. It has become the Highlander's universal panacea; he keeps it always in his house, as a preventative or as a physician when disease, in any of the above forms has made an attack. It soon became known and exceedingly popular, after its introduction, for from an account of it published in Chamber's Edinburg Journal, it reached the unprecedented sale of 357,000 bottles in the two first years. This great health restorer was first introduced this side of the Atlantic by Dr. Julian Dumont, of Halifax, who had travelled in Europe on a professional tour, and became acquainted with its remarkable virtues while visiting the various hospitals in all of which it was made a standard remedy. It is highly recommended by physicians and gentlemen of the highest standing in this country who have used it and possess a full knowledge of its operation. So celebrated has it become, that it has now reached the enormous weekly sale of over

10,000 BOTTLES.

DISEASES OF THE BLOOD are brought directly under a confidence. In the years 1846—'47 in the Highlands of Scotland, where bone diseases greatly prevailed, this medicine cured over 3 000 bad cases which were reported to the Edinburg college of health. There is not a family of any ability in Scotland who would suffer itself to be grossly without this medicine, because of its justly acquired reputation as a LIFE PRESERVER, and the College never for the last year received such liberal donations as will pay for the first cost of supplying those poor worthy famines who are known to be unable to procure it. During the same two years, also, were reported to the College as having been cured by its unrivalled medicine, as shown by the College Register,

829 cases of chronic rheumatism,
6002 cases of general debility,
5204 cases of Female Complaints, of all kinds,
4718 cases of dyspepsia,
4507 cases of scrofula,
3200 cases of liver complaint,
2752 diseases of Kidneys and dropsy.
497 cases of consumption.

The most noted Physicians and our Agents in all parts of the United Kingdom are daily sending in certificates of the most singular and even surprising cures performed by this medicine—of cases of diseases of the Blood, such as Fever Sores, Ulcers, Erysipelas, Pimples on the face etc., together with numerous cases of sick and nervous headache, pains in the side and chest, spinal affections, etc.

To Mothers.

This medicine, as was remarked by Daniel O'Connell on witnessing its wonderful effects in restoring to health an acquaintance of his who had not been able to leave her room for three years, "is destined to work a revolution in the physical well being of females! It holds the same relation to Woman that Father Mathew does to the Irish People—it is their regenerator and preserver."

It renews the system—assists the Natural energies—purifies the Blood—invigorates and strengthens the whole person—in a word gives new vigor and tone to the whole system.

Weakly Children.

The Edinburg Blood Purifier seems peculiarly adapted to restoring to health weakly children. Mothers of delicate constitutions too should not neglect the use of this medicine previous to childbirth, as it invigorates the system and prepares it to meet that important event, and so many cases prevents, as otherwise might be the case, the giving birth to weakly children.

HYER'S PILLS.

The American Improved Hygeian Vegetable Medicine.

The best general Family Medicine ever known; effectual in all complaints incident to the Human System, if timely applied; and approval guaranteed, if used as directed.

THE HYER'S PILLS are purely vegetable, of new kinds—stimulant and purgative—and in their operation effectually aid digestion, thereby securing all the purposes for which food is introduced into the stomach—namely—the proper nourishment of every part of the system; giving consistency and strength to the muscular fibre, purity to the blood, and elasticity and cheerfulness to the temper and disposition: thus demonstrating the proposition laid down in the American Improved Hygeian Vegetable Treatment, that all diseases are essentially the same, and, timely attended to, may be cured by the simplest process—correcting and regulating the stomach, or digestion—substantially the source (in derangement) of all disease.

In all lingering complaints—general debility; dyspepsia, nervous, rheumatic and bilious affections, general colds or coughs—all pulmonary affections in their incipient stages, nervous or sick head ache; palpitation of the heart or irregular pulsation in any form, habitual costiveness—all continued derangement, or obstruction, in the system, especially with females—they are recommended with confidence, a confidence based upon a personal experience with and an invariably successful use of them as a general family medicine, in the Proprietor's own family, for a period of upwards of sixteen years, and an actual knowledge of their similar use in many other families, and by numberless individuals during the same period.

No medical compound has ever yet been presented that will leave the system in a better, or even as good, condition as this, under its prescribed use. As a standard family medicine it is at once the *safest cheapest*, and *mildest*, as well as the most EFFECTUAL in the world, and its prompt use on the first indications of illness, will invariably save much sickness, as well as great expense. Every family should keep it by them; and no family will in fact, remain without it, after becoming acquainted with it, and its proper administration.

The Pills are put up in Fifty Cent and Dollar Packages each containing three boxes—one of No 1 and two No 2 pills—with a pamphlet, embracing a valuable of advice on disease, and full directions for the use of the medicine.

☞ The Half Dollar package contains between *eighty* and *ninety*, and the Dollar package from *two hundred and ten to two hundred and twenty* Pills!! rendering them the *cheapest* preparation extant!

Important to Owners of Horses.

Dillow's celebrated Heave Cure,

Which has been in use with such astonishing effect in France and England for the last twenty years, and has been for the last two years performing the most wonderful cures ever on record in this country. Heretofore the disease called the heaves has been regarded as an incurable malady, and thousands have searched their store house of facts, and taxed their inventive genius in vain, to find a remedy for this affliction. The great desideratum has at last been attained. More than 2000 cases of heaves, 1500 cases of chronic coughs and colds, 1000 cases of Catarrah and Nasal Fleet, 1500 cases of Affection of bronchial tubes and glands, 500 cases of thick and broken wind, and 800 cases of inflamation of the lungs, have been cured by this extraordinary remedy, since its introduction in the United States.

Dillow's invaluable heave cure is universally admitted to be a sure specific in these formidable diseases; and all those who have tested its virtue, by a fair trial lavish encomiums upon its efficacy. It is not only a safe and speedy cure for the above diseases, but will also be found useful in the Glanders, and given in season will expel bots or worms it is also

Universal Condition Medicine.

It is warranted to thoroughly cure the worst cough in one week and will generally eradicate the heaves, permanently in two weeks, and produce a fine glossy appearance to the hair and improve in every way the condition of the horse. Persons, who own valuable horses, need not fear to administer it to them, as it is warranted to be entirely free from any deleterious ingredient; and the, should always keep one or more papers of the powder on hand, in order that it may be administered as soon as the first symptoms of the disease appear, which will be a slight cough and difficulty in breathing. It must be quite obvious to every person, that by repeatedly driving horses through rain and snow, they will contract colds, which if neglected, will terminate in the heaves.

Give the powder a trial and it will recommend itself.

☞ CAUTION.—The astonishing success of Dillow's Heave Cure for the last two years in the United States has induced several persons to imitate and counterfeit it; and they even go so far as to caution the public against it, and endeavor thereby palm off their nostrum as the only genuine article. We declare that Dillow's heave cure is the first article of the kind ever introduced in the United States and we hereby offer the sum of "One Thousand Dollars" to any person or persons who will prove to the contrary. All others are imitations.

We caution the public against all Heave Powders, or "Heave compounds," that have not the written signature of R. G. Dillow on the inside of each wrapper, be sure to ask for "Dillow's heave cure." ☞ Be careful that and see that you get it, as it is the only remedy that you can depend upon to thoroughly eradicate the above diseases

Silence that Dreadful Cough!

The Lungs are in danger, the work of the destroyer has been begun, the cough, consumption hath in it the sound of death.

Are you a mother? Your darling child your idol and earthly joy, is now perhaps confined to her chamber by a dangerous cold—her pale cheeks, her thin shrunken fingers, tell the bold disease has already fastened upon her—the sound of her sepulchral cough pierces your soul.

Young man, when just about to enter life, disease sheds a heart chilling blight over the fair prospects of the future—your hectic cough and feeble limbs tell of your gloom of hope but you need not despair. There is a balm which will heal the wounded lungs it is,

Sherman's All-healing Balsam.

Mrs. Attree, the wife of Wm. H. Attree, Esq., was given up by Dr. Sewall of Washington, Drs. Rae and McClelland of Philadelphia, Drs. Roe and Mott of New York. Her friends all though she must die. She had every appearance of being in consumption, and was so pronounced by her physicians—Sherman's Balsam was given and it cured her.

Mrs. Garrabrant, of Bull's Ferry, was also cured of consumption by this Balsam when all other remedies failed to give relief—she was reduced to a skeleton. Dr. A. C. Castle, Dentist, 281 Broadway, has witnessed its effects in curing Asthma, which it never fails of doing. Spitting Blood, alarming as it may be, is effectually cured by this Balsam. It heals the ruptured or wounded blood vessels and causes the lungs sound again.

Rev. H ury Jones, 166 Eighth avenue, was cured of cough and catarrh of affection of 30 years standing. The first dose gave him more relief than all the other medicine he had ever taken. GREAT AMERICAN REMEDY

WESTERN NEW YORK COLLEGE OF HEALTH,

207 Main-Street, Buffalo, N. Y.

DR. G. C. VAUGHN'S

Vegetable Lithontriptic Mixture.

THIS celebrated remedy is constantly increasing its fame by the many cures it is making

ALL OVER THE WORLD.

It has now become *the only medicine for family use*, and is particularly recommended for

DROPSY:

all stages of this complaint immediately relieved, no matter of how long standing. *See Pamphlet for testimony.*—This disease is as frightful, as CHOLERA, and the slow and dreadful progress of the malady, *bloating the system* to a degree which renders the patient *utterly unable to move*, forms one of its most distressing features.

HITHERTO INCURABLE,

it now yields to this remedy—and Physicians use it publicly and privately with perfect success. Let any one who has ever had a symptom of Dropsy, of any character, keep this article by them and if they would avoid *the unnatural*

APPLICATION OF THE KNIFE,

to perforate the system and let the accumulated water flow away, only to fill up again, and finally *end in a dreadful death*, let them just use this remedy in season, and a recovery is sure. Let them try it at any stage of this disease, and a cure is certain, if they will give it a *fair* trial.

GRAVEL,

and all diseases of the urinary organs; for these distressing complaints *it stands alone*; no other article can relieve you; and the cures testified to will convince the most skeptical;—*see pamphlet.*

How many suffer from this painful complaint, and fancy there is no cure. You may *think* you have gravel when there is only inflammation—there may be calculi—and yet it may be hardly formed—it may even be stone in the bladder, yet you are sure of a cure in all but the last named disease, and if stone in the bladder does exist, by the aid of this medicine all inflammation caused by it will subside, and unless the formation is of years standing, the calculi is dissolved, and brought away in fine particles. All stages of this disease has been cured by this mixture. *One of the first Medical men in the State of New York was cured of gravel by this medicine. See Pamphlet.*

LIVER COMPLAINTS,

Fever and Ague, Bilious Diseases—To the Great West especially, and wherever these complaints prevail this medicine is offered.

NO MINERAL AGENT,

no deleterious compound is a part of this mixture, it cures these diseases with certainty and celerity, and does not leave the system torpid. *See Pamphlet.*

So thoroughly does this mixture act in this disease, that an immediate cure is made. All other remedies are now set aside, as this great vegetable preparation, *safe*, (for it contains no poisonous mineral, which is the basis of all other Fever Ague and remedies.)

SPEEDY AND EFFECTUAL,

it is the grand healing medicine, and is daily curing its thousands. The secret of its re-building the entire constitution is, that it is compounded of 22 distinct vegetable properties, each root a remedy distinct by itself.

PILES,

a complaint of a most painful character, is

IMMEDIATELY RELIEVED,

and a cure follows by a few days use of this article: it is *far before any other preparation for this disease*, or for any other disease originating from impure blood. *See Pamphlet.*

This disease is purely one of the blood: the action of this medicine is so speedy that the Piles, whether internal or external, will be cured by its use in a few weeks.—Hundreds, perhaps we can say thousands, have been perfectly cured in the use of two or three bottles of this mixture, and as this cure is produced from the action of this panacea upon the blood, it is more likely to be permanent than any cure produced from external remedies.

DEBILITY OF THE SYSTEM,

weak back, weakness of the Kidneys, &c., or inflammation of same, is *immediately relieved by a few days use of this medicine*, and a cure is always a result of its use. It stands as
