superior and well proved efficacy in all cases of recent burns, scalds or wounds, as also in rheumatism;
chapped hands, and old ulcers or indolent tumors,
ought to be known, and its general use will certainly make it the every day companion of the nursery

NEVER DESPAIR .. Philadelphia, July 26, 1846, TO THE PUBLIC.—I certify that before my re-nembrance I became afflicted with what the Phymembrance I became afflicted with what the Physicians call Scroula. It made its first appearance by pain and swelling of the joints—more especially of my ankles, knees, wrists and elbows, after which the glands of my throat and neck became inflamed and swelled, attended with the most exoruciating pain. I was often confined entirely to my bed, and for weeks tegether could not turn my neck or my head. Several physicians attended me at different times, but they did not appear to do me any good.

The next day an eruption appeared on the sides of

the heir to fall off my head, and soon the disease
spread all over me—my limbs were one entire scab.
Some of my finger-nails came off. In short I was
unable to get my own living, and in this condition I
called upon Dr. Jane, in order that he might undertake my case. He directed me to take his afterstake my case. He directed me to take his alterative three times a day, and his Sanative Pills as often as I should find it necessary. I have now taken his Alterative four months; and am most happy to

Dear Sir—I feel it my duty to make known to you, for the benefit of the public, the sid I received from the use of a bottle of Doct. Jayne's Expectorant, which I purchased of you. I had been sick between five und six months, caused by the lung fever, which left me in a very low state of health with a very bad cough, and for about three months. I could only speak in a whisper. My friends all thought me to be in a decline. My physician said the bad done all for me be could. About this time I fortunately saw advertised in the papers, Dr. Jayne's Expectorant, for sale by you. I immediately sent to you for a bottle, and in two days after using I began to feel better—in about ten days I re using I began to feel better—in about ten days I re covered my vince and could speak tolerably well—and before using the whole bottle I was nearly as well as ever. My health is now good. I attribute

my cure solely to Dr. Jayne's medicine. To Mark Noble, Esq., Great Falls, N. H. Prepared only by Dr. D. Jayne, Philadelphia, and sold on agency by N. MITCHEL & CO., Druggists,
