FROM WASHINGTON WASHINGTON, May 27.—The following despatch was received at the War Department to-night:

HEADQ'HS OF THE ARMY OF THE POTOMAC, May 27-8.80 P. M.

To Hon. E. M. Stanton:

I find that some of the newspapers publish letters from their correspondents with this army giving important information concerning our movements, position of troops, &c., in positive viciation of your orders.

As it is impossible for me to ascertain. with certainty, who these anonymous writers are, I beg to suggest that snother be published holding the editors responsible for its infraction.

G. B. McClellan, Major General.

The War Department received advices from General McClellan, this evening, announcing the capture of Hanover Court Our loss is said to be small, but that of the rebels considerably in killed wounded and prisoners. One of the enemy's cannon was captured.

The President has sent a message to Congress, taking upon himself and the Cabinet altogether the responsibility of the measure for which the House of Representatives lately censured the late Secretary of War. General Cameron. It is hoped by him, and by all the members of the Cabinet, that this measure will be understood by the public as James Morrow, youngest child of Samuel E. an evidence of their determination that no and Naucy B. White, aged 11 years and 7 measure will be understood by the public as imaginary divisions shall be gotten up in the days. Administration.

Information has been received here that Gen. Banks, in his late retreat, which was made so successfully, retained all his artillery, not losing a single camon.

Major Gen. Frantz Sigel arrived in the city this morning, and reported himself immediately to the War Department. He will doubtless have a new command. Gen. Mc-Dowell was among the distinguished visitors in the city to-day.

One or two soldiers have got to Manassas, and thence here on the cars, who succeeded in escaping from Front Royal, where the fight was had on Friday last, between the 1st Maryland Regiment and the Rebels .-They seem to be genuine refugees, and tell a straight story. At the battle the rebels showed no quarter, even bayoneting our wounded as they lay on the field, and performing other inhuman deeds, equally barbarous with those perpetrated on the bodies of our troops buried at Bull Run.

Baltimore, May 27 .- All is quiet here. A large force of police is stationed along Balti- head last week. Of the amount offered 150 turbulent gatherings.
