BIG RED HORN!

Should you ask me, should you wonder,
 Where to buy your Hoes and Tinware,
 I would answer, I would tell you—
 "Go unto the fine new store room
 Where the Big Red Horn, the sign is,
 There's the best Cook Stoves and Tin-ware,
 All sold cheap by D. B. RUSSELL!"

[From the Song of Hiawatha.]

THE undersigned informs the public in general
 and especially those of his customers in want of
 anything in his line of business, that he has com-
 pleted and is now occupying his new and extensive-
 ly enlarged establishment for the

Manufacture and Sale
OF TINWARE, SHEET-IRON WARE, AND
STOVES.

He is now prepared to supply any demand for his
 Cook Stoves, general Housekeeping Goods and
 Kitchen Ware, on such terms as must give entire
 satisfaction.

THE STOVES

offered are of the best and most improved kind and
 having been tried are acknowledged to be all that
 can be desired as good cookers and bakers, and are
 easily kept clean.

His own MANUFACTURED WARE is all made with a
 view to the wants of customers from the best mate-
 rial and is warranted in all cases to be good. He
 also keeps a large assortment of fancy articles.

Special attention is given to putting up
 SPOUTING, made of the best tin, for houses and
 barns, in which he has had a long and extensive ex-
 perience.

Remember the sign of the Big Red Horn,
 Aug. 9, 1860. D. B. RUSSELL.

WAYNESBORO
FOUNDRY
AND
MACHINE SHOP!

IMPORTANT TO WHEAT GROWERS

GEISER'S PATENT SELF-REGULATING
 GRAIN SEPARATOR, CLEANER
 AND BAGGER

AND THE
 Latest Improved Thresher and Triple Gear-
 ed Horse Powers, Driving either by Gear
 or Belt, all furnished Complete
 ready to be put on Wagons.

1, the undersigned, desire to call the attention of
 Farmers and Threshermen of Franklin and adjoining
 counties to this Machine, which has been before
 the public for seven years, during which time it
 has given general satisfaction, and the patentee
 having made some very important improvements,
 which render it still more complete, both for clean
 separating and cleaning, and also for ease of
 draught and fast threshing. I take pleasure in re-
 commending it to the public, knowing that it will
 give the best of satisfaction. I am manufacturing
 three different sizes, as follows:
 No. 1 is 8 Horse Power, will thresh and clean from
 200 to 500 bushels per day.
 No. 2 is 5 to 6 Horse Power, will thresh and clean
 from 150 to 300 bushels per day.
 No. 3 is 4 to 5 Horse Power, will thresh and clean
 from 100 to 200 bushels per day.

These Machines are warranted to do the above,
 and do it much better in every respect than any
 other machine in use.

Grain having much light chaff in it cleaned on this
 Machine is worth from 2 to 3 cents more per bushel
 than when cleaned on any other separator, or the
 common way of cleaning on hand fans. For this
 reason there is not the eighth part of light matter in
 the grain as when cleaned on the usual principle.
 The chaff acts freely on all the grain as it leaves the
 shoes, whereas, when cleaned with riddle that ad-
 vantage is lost.

This machine does not return the tailends as
 most of the separators do. By returning fifty tail-
 ends alternately it is impossible to make merchant-
 grain. Another important feature in this machine
 that others of the kind have not, is the Self-acting
 Blast Regulator in the fan, which remedies all the
 difficulties in bad cleaning, blowing grain in the
 high speed or irregular driving, which cannot be
 remedied by changing gears or power.

This Machine is also more durable and less tedious
 to manage than any other Separator and Cleaner, or
 the common machine with shaker.

Orders to insure their being filled until harvest
 should be sent in immediately.

I am fully prepared to make to order and on short
 notice Portable and Stationary

THE WAR OF 1776.

THE name "Continental" sounds more like that
 of the American heart, than any of the Royal
 blood; even should it be a Prince.

So all you that want a good Cooking Stove that
 burns either coal or wood, call at

W. A. TRITTLE'S

and ask for the Continental, which is one of the
 best stoves in market, and by far the cheapest. It
 takes a long stick of wood and is provided with fire
 brick to burn coal. It is one of the best baking and
 cooking Stoves that has ever been offered for sale.
 It is a fine Cooking Stove and is easily kept clean.
 I always have a large assortment on hand, and will
 give better bargains than any other house in the
 county. So to prove that my name is not Gen.
 Bragg call and see for yourselves.

Also on hand Heating Stoves, such as

WINE PLATE AND COAL STOVES

for shop or parlor, all of which I will sell very low
 you will also find a large assortment of

TIN WARE,

with Copper, Brass and Sheet-Iron Ware, which
 is all of my own make, and which has been pro-
 cured not found better in any place. Now remember
 I am bound to sell cheap, so all that want any
 thing in my line, give me a call. My shop is still
 at the old place on Main Street, under the Printing
 Office.

House Spouting!

done at all times and of the best quality.
 Feeling very thankful for the many past favors I
 have received from the public, I would invite all to
 give me a call, for then you can see for yourselves
 where to get bargains.
