THE UNION WITHOUT AN 'IF' OR A BLK. CLOTHS,

Unconditional support of every effort of the Presi dent to crush the existing atrocious rebellion is, in my humble judgment, the best test of loyalty, and every man asking favors from the public should be required to express his views so that the people may not be deceived. I believe all the candidates who have offered themselves for the support of the Union Convention are as loyal as I am, but I feel it to be my duty to say in all things i sustain the Adminis-tration. On the platform of unconditional loyalty. I again offer myself as a candidate for the office of CLERK OF THE COURTS—subject to the decision of the approaching Convention. If nomina ted and elected, I will try to do my duty. If some other Candidate is nominated, however he shall have my warmest support and my most carnest ef forts for his election. P.
