

U. S. 5-20S!

The Secretary of the Treasury has not yet given notice of any intention to withdraw this popular Loan from Sale at Par, and until ten days notice is given, the undersigned as "General Subscription Agent," will continue to supply the public.

The whole amount of the Loan authorized is Five Hundred Millions of Dollars. Nearly Four Hundred Millions have been already subscribed for and paid into the Treasury, mostly within the last few months. The large demand from abroad, and the rapidly increasing home demand for use as the basis for circulation by National Banking Associations...

Patience and self-interest must force the minds of those contemplating the formation of National Banking Associations, as well as the minds of all who have idle money on their hands, to the prompt conclusion that they should lose no time in subscribing to this most popular Loan.

It is a Six per Cent Loan, the Interest and Principal payable in Coin, thus yielding over Nine per Cent per annum at the present rate of premium on coin.

The Government requires all duties on imports to be paid in Coin; these duties have for a long time past amounted to over a Quarter of a Million of Dollars daily, a sum nearly three times greater than that required in the payment of the interest on all the 6-20's and other permanent Loans.

The Loan is called 5-20 from the fact that whilst the Bonds may run for 20 years yet the Government has a right to pay them off in Gold at par, at any time after 5 years.

The Interest is paid half-yearly, viz: on the first days of November and May.

Subscribers can have Coupon Bonds, which are payable to bearer, and are \$50, \$100, \$500, and \$1000, or Registered Bonds of same denominations, and in addition, \$5,000 and \$10,000.

These 5-20's cannot be taxed by States, cities, towns, or counties, and the Government tax on them is only one-and-a-half per cent, on the amount of income, when the income of the holder exceeds Six Hundred dollars per annum; all other investments, such as income from Mortgages, Railroad Stock and Bonds, etc., must pay from three to five per cent tax on the income.

Banks and Bankers throughout the Country will continue to dispose of the Bonds; and all orders by mail, or otherwise promptly attended to.

The inconvenience of a few days' delay in the delivery of the Bonds is unavoidable, the demand being so great; but as interest commences from the day of subscription, no loss is occasioned, and every effort is being made to diminish the delay.

NO TROUBLE TO SHOW GOODS,

Country Produce taken in exchange for goods at the highest market prices. J. W. MILLER, Nov. 13, 1863.

GREAT DISCOVERY!

KUNKEL'S BITTER WINE OF IRON, For the cure of weak stomachs, general debility, indigestion, diseases of the nervous system, constipation, acidity of the stomach, and for all cases requiring a tonic.

This wine includes the most agreeable and efficient Salt of Iron we possess; Citrate of Magnetic Oxide combined with the most energetic of vegetable tonics, Yellow Peruvian Bark. The effect in many cases of debility, loss of appetite, and general prostration, of an efficient Salt of Iron, combined with our valuable Nerve Tonic, is most happy. It augments the appetite, raises the pulse, takes off muscular flabbiness, removes the morbid debility, and gives a firm step to the countenance.

Do you want something to strengthen you? Do you want a good appetite? Do you want to build up your constitution? Do you want to feel well? Do you want to get rid of nervousness? Do you want energy? Do you want to sleep well? Do you want a brisk and vigorous feeling?

If you do, try KUNKEL'S BITTER WINE OF IRON!

This truly valuable Tonic has been so thoroughly tested by all classes of the community that it is now deemed indispensable as a "Fonic" medicine. It costs but little, purifies the blood, and gives tone to the stomach, renews the system, and prolongs life. I now only ask a trial of this valuable Tonic.

COUNTERFEITS.

Beware of COUNTERFEITS.—As KUNKEL'S BITTER WINE OF IRON is the only pure and efficient remedy in the known world for Dyspepsia and Debility, and others for which it is so famous, and the public, we would caution the community to purchase none but the genuine article, manufactured by S. A. KUNKEL, and has his stamp on the top of the cork of every bottle. The very fact that others are attempting to imitate this valuable remedy proves its worth and speaks volumes in its favor.

The BITTER WINE OF IRON is put up in 75 cent and \$1 bottles, and sold by all respectable druggists throughout the country. Be particular that every bottle bears the fac simile of the proprietor's signature.
