TOWN MEETING.

We have been requested to announce that a meeting of citizens will be held at the Town Hall to-morrow (Saturday) evening to adopt measures for filling the quote of this -Borough by volunteering. Meetings for the same purpose are now being held in different parts of the State and we think for the credit of our town something should be done here. Large sums of money have been subscribed in -other localities by parties not liable to draft. and we doubt not there are those here .who will contribute liberally to such a fund. The time is short and prompt action is therefore demanded. Let there be a full turnout.

Christmas.-To-day being Christmas, the anniversary of the birth of our Saviour, commences the season of holiday festivities. We therefore wish all of our readers a "Merry Christmas." But whilst thus enjoying yourselves and feasting upon the rich bounties at all hours. vouched safe by a kind Providence it should not be forgotten that this day commemorates the example of Him who "went about doing good," and whose command is, "remember the poor." May we not reasonably infer, in consequence of the increased prices of almost every article of clothing and other necessaries of life, that the needy should be found here. Have we not widows and orphans, and the families of those who have gone forth to fight the battles of their country? It is a surplus of this world's goods to do some- have witnessed and read of! thing to alleviate the wants of the more unfortunate of his race, and he who refuses to comply with the Scripture command which we have quoted not only evinces a lack of charity, but is guilty of a heinous sin in the sight of Heaven. Then let the inquiry-"who are the needy?" go forth, and let those who have the means contribute at least something for their comfort and happiness, and thus a merry holiday season may be passed in the humblest home.

- Fatriotic Volunteer .- CHARLES F. WEAK-LT, of this township, was enlisted a few days since by Col. E. S. Troxel, and sent to Capt. Kurtz, 17th Penna. Cavalry. Mr. W. volunteered and fought through the battle of Gettysburg, without being regularly mustered into the service, and was wounded in the right thigh and hand. He has certificates from his officers showing that he joined in the battle, to use his own words, "to drive the Rebels from Pennsylvania." The courage and patriotism displayed by this young him with the old veteran, John Bonns.
