\$100 REWARD for a medicine that will cure
Coughs, Influenza, Tickling in the Throat, Whooping Cough, or relieve, Consumptive Cough,
as quick as
COE'S COUGH BALSAM.
OVER FIVE THOUSAND BOTTLES have been sold in its native town, and not a single instance of its failure is known.
We have in our possession, an opportunity of certifying, some of them from EMMENT'S PHYSICIAN, who have used it in their practice, and given it the preeminence over any other compound.
It does not dry up a Cough,
but loosens it, so as to enable the patient to expectorate.
Two or three Doses will invariably cure Tickling in the Throat.
A HALF Bottle has often completely cured the most stubborn cough, and yet, though it is so sure and speedy in its operation, it is perfectly harmless, being purely vegetable. It is very agreeable to the taste, and may be administered to children of any age. In cases of CROUP we will guarantee a cure, if taken in season.
No Family should be without it.
It is within the reach of all, the price being only 25 Cents. And if an investment and thorough trial does not "back up" the above statement, the money will be refunded. We say this knowing its merits, and feel confident that our trial will secure for it a home in every household.
Do not waste away with Coughing, when so small an investment will cure you. It may be had of any respectable Druggist in town, who will furnish you with a circular of genuine certificates of cures it has made.
