Brother thou was mild and levely, Gentle as the summer brobze.

Pleasant as the six of evening.

When it floats among the trees.

Peaceful be thy oftent viember, Peaceful in the grave so low.

Thou no more will join our number. Thou no more our songe shall know,

Dearens Brother thou hast left us, at Here thy loss we deeply feel; But itis God that has bereft us. He can all our sorrows heal. Yet again we hope to meet thee,

When the day of life is fled Then in heaven with joy to greet thee, Where no farewell tear is shed.

It may be useful to state in this connection that the total Funded Debt of the United States on which interest is payable in gold, on the 3d day of March. 1864, was \$768,975,000. The interest on this debt for the coming fiscal year will be \$45,937,126, while the customs revenue in gold for the current fiscal year, ending June 30th, 1864, has been so far at the rate of over \$100,000,000 per annum.

It will be seen that even the present gold revenue of the Government are largely in excess of the wants of the Treasury for the payment of gold interest, while the recent increase of the tariff will doubtless raise the an aual receipts from customs on the same amount of importations, to \$150,000,000 per au-

As Kunkels Bitter Wins of Iron is the only sur and effectual remedy in the known world for the permanent cure of Dyspeptia and Debility, and as there are a number of imitations offered to the public, we would caution the community to purchase none but the genuine article, manufactured by S. A. Kunkel & Bro., and has their stamp on the top of the cork of every bottle. The very fact that others are attempting to imitate this valuable remedy, proves its worth and speaks volumes in its favor.

The Bitter Wine of Iron is put up in 75 cent and \$1 bottles, and sold by all respectable druggists throughout the country. Be particular that every bottle bears the fac simile of the proprietors' signature.

This Wine includes the most agreeable and efficient Sak of Iron we possess; Cirate of Magnetic Oxhide combined, with the most energetic of vege-table tonics, Yellow Peruvian bark. The effect in many cases of debility; loss of appetite, and general prostration, of an efficient Salt of Iron, combined with our valuable Nerve Tonic, is most happy.— It augments the appetite, raises the pulse, takes off muscular flabbiness, removes the pallor of debility, and gives a florid figure to the countenance.
