Treasurer, and can be transferred only on the owner's order.-Coupon Bonds are payable to beater, and are more convenient for commercial uses.

Subscribers to this loan will have the optidit of having their Bonds draw interest from March 1st, by paying the accrued interest in coin-(or in United States notes, or the notes of National Banks adding fifty per cent for premium,) or receive them drawing interest from the date of subscription and deposit. As these Bonds are

Exempt from State or Municipal Taxation, their value is thereased from one to three par cent. per annum, according to the rate of tax levies in various parts of the country come letter

It may be useful to state in this connection that the total Funded Debt of the United States on which interest is payable in gold, on the 3d day of March, 1864, was \$768,975,000. The interest on this debt for the coming fiscal year will be \$45,237,126, while the customs revenue in gold for the current fiscal year, ending June 30th, 1864, has been so lar at the rate of over \$100,000,000 per annum.

It will be seen that even the present gold revenue of the Government are largely in excess of the wants of the Treasury for the payment of gold interest, while the recent increase of the tariff will doubtless raise the annual receipts from customs on the same amount of importations, to \$150,000,000 per an-
