

K. N. Patton, the Colonel commanding, dated at Gallatin on the 21st inst. that news from Lebanon had been received there up to 8 o'clock this morning. When General Mulligan was in the hands of the enemy under Wheeler. The college building was surrounded, with all the troops in it.

The enemy are supposed to be 1,500 strong. Our forces are occupying all the roads in the direction which they are supposed to be moving.

Another dispatch. NASHVILLE, August 30.—Great excitement prevails at Nashville to-day, in consequence that an attack was made by General Wheeler's cavalry force. It is rumored that his force amounts to 6,000 or 8,000 men, with twelve guns.

No apprehension need be felt in regard to an attack upon this city. Reports reached here this morning that the rebel cavalry force was near Lebanon, Tenn., and had captured some thirty Federal cavalry, but the river being too high to ford, it is presumed that they have since found Wheeler's main body, near Murfreesboro.

Five hundred rebel prisoners, including 23 commissioned officers, reached here last night.

RETELATION.—A Richmond paper says: "The Yankees having confined in jail under a criminal charge of arson, Mr. McGill, a Confederate soldier of the son, Dr. Charles McGill, now of Richmond, alleging that he was present and aiding at the burning of Chambersburg, a Yankee prisoner has, in his case been obtained up to abide the issue, and to answer for life, outrage for outrage."

U. S. 7-30 LOAN.

THE Secretary of the Treasury gives notice that subscriptions will be received for Coupon Treasury Notes, payable three years from Aug. 15th, 1864, with semi-annual interest at the rate of seven and three-tenths per cent, per annum—principal and interest both to be paid in lawful money.

These notes will be negotiable at the option of the holder at maturity, into six per cent, gold bearing bonds, payable not less than twenty years from their date, as the Government may elect. They will be issued in denominations of \$50, \$100, \$500, \$1,000 and \$5,000, and all subscriptions must be for \$25 dollars or some multiple of fifty dollars.

The notes will be transmitted to the owners free of transportation charges as soon after the receipt of the original Certificates of Deposit as they can be prepared. As the notes draw interest from August 15, persons making deposits subsequent to that date must pay the interest accrued from date of note to date of deposit.

Parties depositing twenty-five thousand dollars and upwards for these notes at any one time will be allowed a commission of one-quarter of one per cent., which will be paid by the Treasury Department upon the receipt of a bill for the amount, certified to by the officer with whom the deposit was made. No deductions for commissions must be made from the deposits.

SPECIAL ADVANTAGES OF THIS LOAN.

It is a NATIONAL SAVINGS BANK, offering a higher rate of interest than any other, and the best security. Any savings bank which pays its depositors in U. S. Notes, considers that it is paying in the best circulating medium of the country, and it cannot pay in anything better for its own assets are either in government securities or in notes or bonds payable in government paper.

It is equally convenient as a temporary or permanent investment. The notes can always be sold for within a fraction of their face and accumulated interest, and are the best security with banks as collateral for discounts.

Convertible into a Six per cent. 5-30 Gold Bond. In addition to the very liberal interest on the notes for three years, this privilege of conversion is now worth about three per cent. per annum, for the current rate for 5-30 Bonds is not less than nine per cent. premium, and before the war the premium on six per cent. U. S. stocks was over twenty per cent. It will be seen that the actual profit on this loan, at the present market rate, is not less than ten per cent. per annum.

Its Exemption from State or Municipal Taxation. But aside from all the advantages we have enumerated, a special Act of Congress exempts all bonds and Treasury notes from local taxation. On the average, this exemption is worth about two per cent. per annum, according to the rate of taxation in various parts of the country.

It is believed that no securities offer so great inducements to lenders as those issued by the government. In all other forms of indebtedness, the faith or ability of private parties, or stock companies, or separate communities, only, is pledged for payment, while the whole property is held to secure the discharge of all the obligations of the United States.

While the government offers the most liberal terms for its loans, it believes that the very strongest appeal will be the loyalty and patriotism of the people. Duplicate certificates must be issued for all deposits. The party depositing must endorse upon the original certificate the denomination of notes required, and whether they are to be issued in blank or payable to order. When so endorsed it must be left with the officer receiving the deposit, to be forwarded to the Treasury Department.

Subscriptions will be received by the Treasurer of the United States, at Washington, the several Assistant Treasurers and designated Depositories, and by the FIRST NATIONAL BANK OF WAYNESBORO, and by all National Banks which are depositories of public money, and ALL RESPECTABLE BANKS & BANKERS throughout the country will give further information and every FACILITY TO SUBSCRIBE. Aug. 19-3m.

A POIC FOR THE TIMES.

While war's fierce peals alarm us, Or victory's shouts o'lt charm us, The calmer notes of local news, Of little brawls, or breaks, or stews, Are equally engaging.

The former often strikes a please, But such emotions quickly cease. But when ye veils bright and gay, In multitudinous array, Our serious thoughts amuse;

Are placed to view at Gros' old stand, To brighten eye, or ear, or hand, To decorate the less or lad, To beautify the calm or sad, Oh every heart's delighted!

With rings, and pins, and bracelets bright, Glistening like the stars of night, On wrist, and fingers, breast and ear, Like seraphs fair the youth appear! With beauty's splendors freighted.

With trinkets, lockets, mourning sets, Box-pins, gold-chains, and sets of jet, Steel jewelry, belt-slides and hooks, All of the latest styles and looks, I'm sure you'll be delighted.
