BEWARE OF Counterfeits

As Kunkel's Bitter Wine of Iron is the only sure and effectual remedy in the known world for the permanent cure of *Dyspepsia and Debility*; and as there are a number of imitations offered to the public, we would call the community to purchase none but the genuine article, manufactured by S. A. KUNKEL & BRO., and has their stamp on the top of the cork of every bottle. The very fact that others are attempting to imitate this valuable remedy, proves its worth and speaks volumes in its favor.
The Bitter Wine of Iron is put up in 75 cent and \$1 bottles, and sold by all respectable druggists throughout the country. Be particular that every bottle bears the *fac simile* of the proprietors' signature.

This Wine includes the most agreeable and efficient Salt of Iron we possess; Citrate of Magnetic Oxide combined with the most energetic of vegetable tonics, Yellow Peruvian bark. The effect in many cases of debility, loss of appetite, and general prostration, of an efficient Salt of Iron combined with our valuable Nerve Tonic, is most happy - It augments the appetite, raises the pulse, takes off muscular flatulencies, removes the pallor of debility, and gives a florid figure to the countenance.
