THE NEWS .- The news we publish to day is of a most cheering physicier. Early's army in the Valley of Virginia has been almost annihilated by Gen. Sheridan, whilst Gen. Grant is gradually pushing his columns on the Rebel capitol, making large captures and driving the rebels like sheep before his victorious army. Non combatants are admonished to flee from the doomed city, out of which it is understood old Jeff. "dusted" himself sometime since. The signs of the times most unmistakably point to an early and final suppression of the rebellion. Gens. Grant, Sherman, Meade, Sheridan and "Beast Butler," are doing their part most nobly as Government. A little more patience and the rebellion which is now tottering, will opple over.

VOTING IN THE ARMY.—The following general order has just been issued from the Adjutant General's office:
