Improved Thrashing Machine!

Farmers will please look at the great advantage in Thrashing Grain with GEISERS' PATENT SELF-REGULATING GRAIN SEPARATOR, CLEANER AND BAGGER.

At a time like the present, when labor is very scarce, it is important that farmers who are interested should give attention to the above improvement, which will considerably reduce the expense of thrashing grain over the common way.

The machine has been before the public for a number of years, but not very widely circulated, although it has competed with all the best of the different patented Grain Separators, and proved a decided advantage, and now has the reputation of being the best Separator ever before the public.

Waynesboro' Foundry AND MACHINE SHOP. GEISERS' PATENT SELF-REGULATING GRAIN SEPARATOR, CLEANER AND BAGGER, AND THE LATEST IMPROVED THRESHER AND TRIPPLE-GEARED HORSE POWERS, DRIVING EITHER BY GEAR OR BELT, ALL FURNISHED COMPLETE, READY TO PUT ON WAGONS.

U. S. 7-30 LOAN

THE Secretary of the Treasury gives notice that subscriptions will be received for Coupon Treasury Notes, payable three years from Aug. 15th, 1864, with semi-annual interest at the rate of seven and three-tenths per cent. per annum, principal and interest both to be paid in lawful money.

These notes will be convertible at the option of the holder at maturity, into six per cent. gold bearing bonds, payable not less than twenty years from their date, as the Government may elect. They will be issued in denominations of \$50, \$100, \$500, \$1,000 and \$5,000, and all subscriptions must be for fifty dollars or some multiple of fifty dollars.

Special Advantages of this Loan. It is a NATIONAL SAVINGS BANK, offering a higher rate of interest than any other, and the best security.

Convertible into a Six per cent. 5-20 Gold Bond. In addition to the very liberal interest on the notes for three years, this privilege of conversion is now worth about three per cent. per annum, for the current rate for 5-20 Bonds is not less than nine per cent. premium, and before the war the premium on six per cent. U. S. stocks was over twenty per cent. It will be seen that the actual profit on this loan, at the present market rate, is not less than ten per cent. per annum.

Its Exemption from State or Municipal Taxation. But aside from all the advantages which have enumerated, a special Act of Congress exempts all bonds and Treasury notes from local taxation.

It is believed that no securities offer so great inducements to lenders as those issued by the government. In all other forms of indebtedness, the faith or ability of private parties, or stock companies, or separate communities, only, is pledged for payment, while the whole property is held to secure the discharge of all the obligations of the United States.

While the government offers the most liberal terms for its loans, it believes that the very strongest appeal will be the loyalty and patriotism of the people.

Duplicate certificates will be issued for all deposits. The party depositing must endorse upon the original certificate the denomination of notes required, and whether they are to be issued in blank or payable to order. When so endorsed it must be left with the officer receiving the deposit, to be forwarded to the Treasury Department.

Subscribers will be required by the Treasurer of the United States, at Washington, the several Assistant Treasurers and designated Depositories, and by the FIRST NATIONAL BANK OF WAYNESBORO, and by all National Banks which are depositories of public money, and ALL RESPECTABLE BANKS & BANKERS throughout the country, will give further information and afford EVERY FACILITY TO SUBSCRIBE.

A POIC FOR THE TIMES. While war's fierce peals alarm us, Or victory's shouts o' charm us, The calmer notes of local news, Of little battles, or breaks, or stews, Are equally engaging.

The former often shock or please, But such emotions quickly cease, Or when joy's bright and gay, In multitudes array, Our serious thoughts assuaging:— Are placed to view at Grove's old stand, To brighten eye, or ear, or hand,— To decorate the lass or lad, To beautify the calm or sad, Oh every heart's delighted!

With rings, and pins, and bracelets bright, Glistening like the stars of night, Or wrist, or fingers, breast and ear, Like scarlets fair the youth appear! With beauty's splendors freighted

With thimbles, lockets, mourning sets, Brooches, pins, gold-chains and sets of keys, Steel jewelry, bell-ribbons and hooks, All of the latest styles and looks, I'm sure you'll be delighted.

Eight-day, alarm, thirty-hour, and fancy clocks Spectacles, cases, and a full assortment of jewelry, of the latest styles and most elegant finish, watches and jewelry promptly repaired at the lowest cash prices. C. W. LOGAN, April 22—1f.
