PRINTING OFFICE FOR SALE.—We this week offer for sale this office. The paper has a subscription, advertising and jobbing patronage surpassed by few country papers. The office is well supplied with material. Exchanges will specially favor us by noticing.

LAST NOTICE.—We have yet upon our books the names of many subscribers who have not paid us a dollar on their accounts for several years. Unless payment is made by the 17th of February we will strike the names of such from our list. The increased price of paper and all other articles leave us no other alternative but to do a strictly cash business. We will use the names of those from whom we fail to recover arrearages by law as a standing advertisement, and we expect to have a tolerable list as this kind of material has been accumulating on our hands for several years.

STORE FOR SALE.—See advertisement of J. Beaver in another column.

RECEIVED.—We acknowledge the receipt of \$3.00 for subscription from John Loderbach, Vinton, Iowa.

SNOW STORM.—On Tuesday last the deepest snow of the season, all in this region, covering the ground to the depth of eleven or twelve inches. Sleighting may now be said to be excellent, with prospects of continuing for some time.

AN ACCIDENT.—On Friday last an accident happened to a little son of Mr. David Shoop; by which he narrowly escaped with his life. It appears he got on the lazy board of a large wagon which was loaded with barrels, and in the act of getting off fell, one wheel passing over his arm and shoulder breaking his arm and otherwise seriously injuring him. Dr. I. N. Sively was called to his relief, and we are pleased to learn that the patient is doing well.

GRANT ADVANCING.—The latest intelligence from the Army of the Potomac is that Gen. Grant was advancing a large force on the Weldon Railroad and that the Rebels in force had twice been encountered and repulsed with great slaughter. A great battle was expected on Monday last. 250 rebel prisoners are reported.

STAMPS ON DEEDS.—It has been decided by the Supreme Court of this State that the seller of real estate must pay for the stamp on the deed, because he is required to affix it to the deed. This is a matter of considerable importance, as the cost of stamps is one dollar upon each one thousand dollars of the price, and where heavy sales are made the stamp is a considerable item.

COMMERCIAL COLLEGE.—The attention of young men, especially is directed to the advertisement of A. M. Trimmer, Principal of the Chambersburg Commercial College, located at Carlisle, which will be found in another column.

SOUTHERN NEWS. Sherman Marching on Augusta and Branchville.

WASHINGTON, Feb. 4. The Richmond Whig, of February 2d says: General R. E. Lee was unanimously confirmed by the Senate yesterday as commander-in-chief of the armies of the Confederate States. The Hon. T. S. Flourney, John Good, Thomas S. B. Coock, John Baidaru, of Virginia, and Lester of Georgia, addressed a large and enthusiastic audience at the Hall of the House of Delegates last night. They advocated a vigorous prosecution of the war as a sure way to an early and honorable peace. CHARLESTON, (S. C.) Jan. 31. All the movements of the enemy indicate that Augusta or Branchville is their point of destination. The 20th Army Corps occupies Robertsville. This place is about fifty miles above Savannah, and a few miles from the river. A heavy force of infantry, artillery, and cavalry is reported encamped near the junction of the Salkehatchie and the old Union roads. This force is believed to consist of the 15th and 16th Army Corps. Yesterday morning the enemy advanced a considerable force of infantry and artillery from Whitesport, and drove in our skirmish line three miles, to King's Creek. Our infantry afterwards advanced, and drove the enemy back to Whitesport, re-establishing our picket line. Since then all has been quiet on the Combahee.

The enemy made a demonstration on our position, defending his pontoon bridges over the Salkehatchie, this afternoon, but without result. It is reported that they burned McPhersonville last night. This village is five miles northwest of Pocotaligo. Gen. Lee has issued an appeal to the people, asking that every gun, pistol, and sword in private hands may be turned over to him. He threatens punishment to those opposed to doing so.

The Late Conference in Hampton Roads. No change of Attitude on Either Side—Firm Position of President Lincoln.

WASHINGTON, Feb. 5.—It is difficult to procure details of the conference between the President, the Secretary of the State and the rebel commissioners, but it is asserted that the President throughout the conversation insisted that he should continue the prosecution of the war on the principle heretofore declared, namely, of compelling obedience to the Constitution and on the basis of the Union, and admitting peace only on these terms. With him there was to be no deviation from this course, so the commissioners were left in no doubt whatever on this material point. The conversation was conducted in the most courteous and respectful manner, and the commissioners returned to Richmond thoroughly understanding the views expressed by the President. Therefore, if anything further is to be said on this subject, it must come from the Confederates themselves. As has heretofore been stated, there was no agreement upon any point at issue. It is asserted by the intimate friends of the President that no conclusion or promise was made by them in the least degree yielding the position, as above stated, and which he has, in public and private communication, maintained. Whatever may be the speculations as to peace movements in the future, it is certain that there will be no abatement made in our military operations, but that the effort will be to prosecute the war with additional vigor, so that our successes may produce an early peace.

The Chronicle says: "The blind fatuity which possessed the rebel leaders, at the outset of the rebellion, rules them inexorably still, and the sword of justice must execute the work which the folly of blinded leaders would not accord to the arts of pacification." BALTIMORE, Feb. 7.—The flag-of-truce steamer New York arrived at Annapolis this morning, with 1,100 released Union prisoners, including 10 officers.

Capture of Guerillas. New York, Feb. 3.—A special Baltimore dispatch to the Tribune says: "The 8 o'clock train last evening from Harper's Ferry brought up one hundred and ten rebel prisoners, who landed at the Relay and thence went by a special train to Washington. They belonged to Mosby's gang, and were captured during the recent raid upon our lines in the Shenandoah Valley. While Gen. Sheridan was absent on a reconnaissance, they thought to catch our men napping. All of these prisoners were in a wretched condition, and nearly a dozen were so terribly frost bitten about the feet and legs that they could hardly walk. These 'Johnnies' say they are sick of the war, and are glad to get out of it."

The Shenandoah Valley. Capture of a noted Guerilla. WHEELING, Feb. 6.—Governor Boreman has received the following telegram, dated Cumberland, Feb. 6: "A cavalry scout of Gen. Sheridan's encountered the force of Major Harry Gilmer yesterday, near Moorefield, and whipped it handsomely, capturing upwards of twenty officers and men. Amongst the officers captured, was the noted guerilla chief and robber, Harry Gilmer himself. "B. F. KELLEY, "Brevet Major General."

Revolutionary Pensioners. WASHINGTON, Jan. 2.—The House today unanimously passed a bill giving a gratuity of \$300 a year to each of the five surviving Revolutionary pensioners, in addition to the pensions of \$100 which they now receive. In January, 1864, there were only twelve surviving—seven of whom have since died. The names of the only survivors are as follows: Lemuel Cook, enlisted at Hatfield, Mass., 98 years of age, now residing in Clarendon, Orleans county, New York; Samuel Downey, enlisted in Carroll county, New Hampshire, 98 years of age, now living in Edenburg, Saratoga county, New York; Wm. Hutchins, enlisted in New Castle, Maine, 100 years of age, residing in Penobscot, Maine; Alexander Maroney, enlisted at Lake George, New York, as a drummer boy, 94 years old, residing at Yates, Orleans county New York; and James Hartsman, substitute for a drafted man in Southampton county, Virginia, living in Missouri, in his 101st year.

A New Order.—Gen. Sherman has issued an order setting apart the islands from Charleston south, the abandoned rice fields along the rivers for thirty miles back from the sea, and the country bordering the St. John river, Florida, for the settlement of the negroes now made free by the acts of war and the proclamation of the President of the United States. At Beaufort, Hilton Head, Savannah, Fernandina, St. Augustine, and Jacksonville the blacks may remain in their chosen or accustomed vocations; but on the islands and in the settlements hereafter to be established, no white person whatever, unless military officers and soldiers detailed for duty, will be permitted to reside; and the sole and exclusive management of affairs will be left to the freed people themselves, subject only to the United States military authority and the acts of Congress.—Gen. Saxton is entrusted with the carrying out of these orders.

Hon. Robert Fowler has been reelected Treasurer of Maryland, receiving 88 out of 95 votes.

The deceased was highly respected throughout the community for her upright and moral conduct, chaste in all her actions and conversations, which won for her a name long to be cherished by all who knew her. Her loss will be regretted by a large connection of friends and acquaintances throughout the country.
