ecently owned by Elijah Jacobs. It contains two hundred acres of land, which the company own in fed simple. Great value is attached to this location on account of its proximity to several of the best producing wells in the Venango Oil Region. The arm lies on the west side of the Allegheny River, having a river frontage of upwards of one mile in extent, giving sufficient boring surface for at least one hundred wells Immediately opposite, on the cast side of the river, are now in successful operation, two excellent oil wells. There is a fine boat landing on the Farm, affording excellent facilities for the shipment of oil, the contiguity of the river saving the great expense of transportation incurred by parties operating further from the stream. There is also upon the premises, a large hotel, and the great-agricultural value of the Farm is admitted by all, who are acquainted with the nature of the soil.

The Company feel well assured that the opera-
