FUCKARDT'S Cattle Powdes at Feb. 5. '64

October '16 Mentzer's Horse & Cattle Powder. M. STONER having purchased of Mr. Mebtzer, the recipe for making the above far-famed Horse and Cattle Powder, for Pennsylvania and Maryland, takes this method of informing the farmers, drovers, &c., that he has on hand and intends keeping a good supply always on hand. — Country merchants and others keeping such atticks for sals; would do well to supply themselves with a quantity. He will sell it on commission or for cash, cheap. Orders will be punctually attended to January 31.
