

VILLAGE RECORD.
WAYNESBORO.

Friday, October 13, 1865.

OUR TERMS.

The following are our terms for subscription advertising and job work, to which we will strictly adhere...

ADVERTISE! ADVERTISE!—The circulation of the RECORD in this region, including the townships of Washington and Quincey, largely exceeds that of any other paper published in the county...

SWEET POTATOES.—REV. D. F. Good has a choice lot of Sweet Potatoes for sale. See advertisement.

SOLD.—Wm. Johnson has sold his house and lot of ground at the East end of Main Street to Isaac Hess for the sum of \$1600 cash.

GONE EAST.—Mrs. C. L. Hollinger is now in Philadelphia laying in a supply of fall and winter millinery goods, which will be received here in a few days.

NEW GOODS.—Our worthy friend, Mr. J. A. Fisher, of Hagerstown, is in receipt of a supply of new fall and winter goods for gentlemen's wear.

MOUNTAIN LAND.—Mr. V. B. Gilbert offers at public sale in to-day's paper several tracts of valuable Mountain Land.

DRUGS, &c.—We direct special attention to the advertisement of Dr. John A. Royer, (successor to F. Fourthman), in another column.

LIFE INSURANCE.—We invite special attention to the advertisement of the "American Life Insurance and Trust Company," to be found in another column.

DEAD.—Mr. Thomas Hagerman, an old and much esteemed citizen died at his residence in Hagerstown on Thursday the 5th inst. after a protracted illness.

THE CORN.—Many of the farmers in this section have already commenced the work of husking corn. The crop is in fine condition, being well matured generally, and the yield, it is expected, will exceed that of any season for many years.

THE ELECTION.—The election in this county on Tuesday last resulted in the success of the Union ticket by a majority of one hundred or upwards.

GEN. GRANT'S RECEPTION.—Gen. Grant arrived at Pittsburgh on Wednesday, and met with a magnificent reception.

SINGER MACHINES.—T. J. Gilbert, Merchant Tailor, is agent for the Singer Sewing Machines in this place and vicinity.

The Pit Hole Record says there are no mosquitos in the oil regions. That is probably owing to every one being so well greased that the mosquitos cannot get a foothold.

The rebel General Imboden, of cavalry notoriety in the Shenandoah valley, is in Washington as an applicant for pardon.

ELECTION RETURNS.—The following is the official vote at the late election for Washington Township:

Table listing election results for various candidates: Auditor General, Surveyor General, Senator, Assembly, Sheriff, Treasurer, District Attorney, Commissioner, Director of the Poor, Auditor, Auditor, Coroner.

THE PARDONING POWER.—The Harrisburg Telegraph says, occasionally we hear an objection raised, that the President is pardoning too many of those who only recently were engaged in works of hostility to the Government.

Every rebel who applies for a pardon, confesses that he was a traitor—that he had violated national laws which, in his original act of rebellion, he affected to despise—that he had armed and opposed a great Government to which he must now sue for pardon...

REIGN OF TERROR.

The accounts from East Tennessee are one prolonged wail of horror. Nowhere else in the South are scenes of blood being enacted on an equally extensive scale.

BEAUTIFUL RESIDENCE.—The splendid estate of Mr. Geo. H. Stuart, known as Springbrook in Philadelphia, was sold at auction on Wednesday.

TORONTO, C. W., Oct. 10.—The Government has had a detective employed for two weeks in hunting a gang of counterfeiters of American silver.

The intelligence from Mexico is very conflicting. One story is that the Liberals are perfectly subdued and Maximilian seated safely upon his throne, while another statement gives the Liberals continued success.

It is estimated that the tobacco crop in the valley of the Connecticut this year will be equal to the value of six millions of dollars.

CAPTURED TREASURE.—The treasure captured among Jeff. Davis' effects by Maj. Gen. Wilson's forces, in Georgia, and taken to Washington by Mr. Twombly, of the Redemption Bureau of the Treasury, has been counted at the cashier's room of the Treasury.

It amounts to eighty-seven thousand eight hundred and seventy-eight dollars in gold, mostly old coinage; eight thousand eight hundred and twenty-two dollars in silver; one hundred and forty-six pieces of foreign coin, gold and silver, value not yet estimated, and fifty six bricks of silver, weighing over five pounds each, the estimated value of which is one hundred dollars each.

W. S. McCormick, the inventor of the famous reaping machine now generally used in the Western prairies, and by which he made an immense fortune, died lately in the Illinois Lunatic Asylum.

THE OIL REGIONS.

PITHOLE, Pa., Oct. 9.—The most destructive conflagration that ever took place in the oil regions occurred this morning, about one o'clock which fortunately terminated without loss of life.

The tanks of the largest flowing well on Pithole creek, known as the Grant well, containing 4,000 barrels of oil, took fire, spreading destruction in all directions.

BESCON, Oct. 10.—The Republican Convention in the Sixth Congressional District, to-day nominated Major General N. P. Banks for Congress.

Several persons near Auburn, N. Y., have died from the sting of a large green worm that infests the tomato vine.

Ben. Wood, the proprietor of the New York Daily News, it is said, lost \$50,000 by gambling in a single night recently.

A negro has been arrested at Norfolk, Va., for selling sausages in which the claws of a kitten were found.

Printing paper has advanced 5 a 6 cents per pound higher than it was three months ago.

Emma Jones has been tried by court-martial in Charleston, S. C., and sentenced to pay a fine of \$100 for trampling on the United States flag.

CALIFORNIA.

Severe Earthquake at San Francisco and Other Towns.

SAN FRANCISCO, Oct. 8.—At a quarter before one o'clock to-day the severest earthquake ever felt here frightened almost the entire population out of their houses into the streets.

Services were over in most of the churches, and the large congregation of the Unitarian Church were being dismissed when the shock commenced.

More or less plastering fell from the ceilings of half the houses in the city. Cornices and face walls fell from many buildings.

RALEIGH, N. C., Oct. 7.—The convention has just passed unanimously the following ordinance: "That slavery or involuntary servitude other than for crime, whereof the party shall have been duly convicted, shall be and is hereby forever prohibited within the State."

ADVICE TO YOUNG MEN.—Get married, young man, if you have arrived at the right point of life for it; let every consideration give way to that getting married.

A good wife is the most faithful and constant companion you can possibly have by your side while performing the journey of life.

DRATH OF A MINISTER.—Rev. Daniel Garver, a Lutheran minister, well known throughout Pennsylvania, and whose lectures on Jerusalem, in which were given beautiful descriptions of scenes witnessed by him upon the occasion of his visit to the Holy Land are remembered by many who heard them—died, on Saturday last, in Greensburg, Pa., at the age of thirty-six.
