

Stonebreaker's NERVE, BONE AND CORN LINIMENT FOR MAN OR BEAST.

WARRANTED TO CURE Rheumatism, Sprains, Swelled Joints, Sore Throat, Frowed Feet, Poison, Old Sores and Bruises, Fresh Cuts, Corns, Swelling, Itch, Pains in the Limbs and Back, Sweeney, on Man or Beast, Saddle or Collar Galls, Distemper, Scatches, &c., on Horses and Mules, and all Diseases requiring an External Remedy.

The attention of the public is respectfully directed to the above Preparation, as being one of the best and most efficacious, external remedies now in use. This fact is based upon the testimony of thousands of persons who have used it.

From the vast amount of good this Liniment has done in all cases wherein it has been used, and the frequent application made for it, the proprietor has been induced to place it before the public, and let it stand upon its own good merits, knowing that in every case where it is used, it will recommend itself. All he asks is a fair and impartial trial, and if used according to directions, and no longer, no charge. Having such unlimited confidence in its curative powers, he has directed his Agents to refund the money in all cases where this Liniment is used with no benefit, the bottle with a portion of its contents to be returned to the Agent.

It will be found a sure remedy for Rheumatism, Sprains, Swelled Joints, &c., and in fact, for all that he claims for it, it exceeds any article of the kind yet tried.

It is also an infallible cure for many diseases of Horses, such as Kicks, Snags, Swellings, Sprains, Old Sores, Scatches, Collar and Saddle Galls, and all diseases requiring an external remedy for Horses and Cattle, it has no equal.

This Liniment should be in the hands of every family, particularly where there are children, as Sore Throat, Scarletina, Croup, Quincy, &c., are diseases that carry many children to their graves. This Liniment will be found a sure and speedy relief in every case where it is applied in time. As this Liniment is warranted to give satisfaction in all cases, no one can risk anything in trying it, and if the bottle is used you will never be without it in the house—so purchase a bottle and be convinced of the facts above.

STONEBRAKER'S HORSE & CATTLE POWDERS.

Warranted Superior to all others.

Give your Horses STONEBRAKER'S HORSE AND CATTLE POWDERS, if you want fine and healthy horses, and you are sure to have them. A safe, sure and speedy cure for Coughs, Colds, Distempers, Heaves, Hoof-bound, Worms, Boils, Scoury, &c., in Horses, Loss of Cool, Bad Tongues, etc., in Cattle.

By the use of these POWDERS the appetite of the Horse is improved, all derangements of the Digestive Organs are corrected, and the sluggishness of the animal disappears, he becomes lively and spirited. It softens the skin giving the hair a sleek and shining appearance. The great superiority of these Powders over all others arises from the fact that they are compounded of medicines that have digestive, tonic and purifying properties. The laxative removes all impurities from the stomach and bowels; the tonic adds new tone and vigor to the system of the horse, by which the appetite is wonderfully improved, and the purifying medicines contained in them cleanse the blood from all impure matter, and give a healthy and vigorous circulation; they also improve the wind, and are a sure preventive of Lung Fever, Yellow Water, Founder, Loss of Appetite, and many other diseases incident to the horse.

It is also invaluable as a Condition Powder for Cows, increasing the flow of Milk and preventing disease. All persons owning cows should ask for STONEBRAKER'S HORSE AND CATTLE POWDERS, as it is very important through the winter that they should be used to improve the condition of the cow. They have no equal for fattening cattle, as they give them an appetite, and loosen their hide, by which they thrive much faster.

These Powders are a sure preventive of HOG CHOLERA and are particularly adapted to the diseases to which Hogs are so liable—such as Coughs, Ulcers of the Lungs and Liver—causing them to improve much faster. They should be used in the beginning to fatten Hogs, as such feed may be saved. These powders will be found much stronger than most powders now in use, and at the same time the most powerful tonic ever used for Horses and Cattle of any kind. All persons are particularly invited to try these Powders, knowing they will continue to use them.

STONEBRAKER'S RATS & ROACH TERMINATOR.

Great Destruction of Rats!

Every Box warranted a dead shot!

No one can risk any thing in trying it, as it will destroy all your Rats, Roaches, Mice, Red and Black Ants, or you can have your money refunded.
