

STONEBRAKER'S BALSAM OR PAIN-KILLER.

The Great Remedy for Sore Throat or Diphtheria, Croup, Neuralgia, &c., Also for Diarrhoea, Dysentery, Cholera, Cholera Morbus, Vomiting, Pains in the Stomach, Cramps, Frosted Feet, Chapped Hands, Fresh and Old Sores, Bruises, Burns, Toothache, to be used Internally and Externally.

The attention of the public is especially called to it as a remedy for Diphtheria or Sore Throat. It has been tried in hundreds of cases in different parts of the country and has never failed to cure if used in time and according to directions. A great amount of suffering might often be saved by having a couple of bottles of this valuable medicine in the house. Try it, and it will speak for itself. Read the strong testimonials in its favor appended below.

As an external remedy for Croup, Sore Throat, Diphtheria, Fresh Cuts, Old Sores, Chapped Hands, Burns, &c., nothing can equal it, always alleviating the most severe pains in a few minutes. Knowing it to be perfectly harmless, and having been used with unbounded success, and in many cases when nothing else would relieve, I have directed every parent to return the money to any purchaser if it did not give entire satisfaction, feeling confident that not one bottle in 1,000 will be returned.

Parents cannot keep a more efficacious medicine in the house, for the treatment of children, when suddenly attacked with CHROUP, SORE THROAT, DIPHTHERIA, SCARLETINA, &c., which so often, like a thief at night, makes such ravages among their flocks of little ones, when they are attacked with Croup, Sore Throat, and their breathing obstructed. Then rub well the neck and chest with the Pain Killer, at the same time giving a few drops internally, and you will never have to lament their removal by those dangerous diseases. It has proven itself infallible in the last stages of Croup and Sore Throat, when given every 15 or 20 minutes. It is also a valuable remedy for Bronchitis, and all affections of the Throat. The Pain Killer has snatched many a child from an untimely grave; now read, purchase a bottle or two of the Pain Killer, and it will prove a God-send in the above diseases.

No person having used one bottle will ever be without it in the family. It is one of the most efficient family medicines ever offered to the public for the removal of the nervous derangements of the Stomach and Bowels, Throat, &c., and all who use it will find it so. In fact, no family should ever be without a bottle in the house.

Croup and Sore Throat are diseases which very often carry off the patient very suddenly. It would be well in such cases to have the Balsam or Pain Killer always ready, it being an infallible remedy, by giving it internally, and at the same time saturating a flannel cloth well with it and applying to the throat and over the chest; it never fails to relieve if applied properly, having cured numbers of cases of the worst kind. All who have used it speak in the highest terms of it in curing Sore Throat, &c.

Dysentery is a disease of the larger and lower intestines, and its presence is indicated by bloody discharges, consisting of blood and mucus. It is a dangerous malady, and must be treated with caution. The object being to restore the bowels, and to do this the Healing Balsam will be found a valuable remedy by giving a teaspoonful every 15 or 20 minutes.

Cramps of the stomach, and especially of the bowels, are violent affections of the muscular and nervous system. Sudden shocks of cold frequently produce Cramps of the stomach and bowels, and for this the Healing Balsam is an infallible remedy, by taking inwardly and bathing the stomach and bowels with the Balsam, and lay a piece of flannel over with the same.

Diarrhoea is a dangerous disease, and in many localities it is worse than cholera. It prostrates the patient very much, and often changes of water or diet affects the bowels considerably, and causes great pain, and very often brings on Dysentery, which is more dangerous than the first. Now Stonebraker's Balsam will effectually cure in every case. Only try it, and be convinced of its inestimable value. PRICE 40 CENTS PER BOTTLE.

STONEBRAKER'S VEGETABLE COUGH SYRUP!

FOR THE RAPID CURE OF Coughs, Colds, Hoarseness, Croup, Whooping Cough, Asthma, Difficulty of breathing, Spitting, Spitting of Blood, First Stage of Consumption, Soreness of the Throat, and all Affections of the PULMONARY ORGANS.

This SYRUP is an invaluable remedy for the alleviation and cure of PULMONARY DISEASES. It is prompt in its action, pleasant to the taste, and from its extreme mildness, is peculiarly applicable to the use of children and persons in delicate health. As an anodyne expectorant, it will always be found to be beneficial by alleviating and removing the various types of coughing so distressing to the patient.

The indispensable qualities of such a remedy for popular use, must be, certainty of operation, absence of danger from accidental overdose, and its adaptation to every patient of any age or either sex.

These conditions have been realized in this preparation, which, while it reaches to the foundation of disease, and acts with unflinching certainty, is still harmless to the delicate infant and tender invalid.

It is highly recommended wherever it has been used, and so apparent is its usefulness and so remarkable has been its cures, that it is fast superseding every other article of a similar kind for those diseases.

The afflicted can rely upon its doing as much or more, than any other remedy in soothing the nerves, facilitating expectoration, and heating the DIAPHRAGMATIC LUNGS, thus striking at the root of all diseases and eradicating it from the system.

A trial of it is all that is necessary to convince the public of the true merits of the above preparation.

All I ask is a trial of this Preparation, as it has no equal in its effects, a never fails to give entire satisfaction to all who use it. We warrant it in all cases, or the money returned.

NEW SKIRT FOR 1865-6

The Great Invention of the Age in HOOP SKIRTS.

J. W. BRADLEY'S New Patent DUPLEX ELLIPTIC (or double) SPRING SKIRT.

THIS INVENTION consists of DUPLEX (or two) ELASTIC PEAR REFINED STEEL SPRINGS, ingeniously BRAIDED TOGETHER and STAYED TOGETHER, above and below, making the TIGHTEST, most FLEXIBLE, ELASTIC and DURABLE SPRING ever used. They seldom bend or break, like the Single Springs, and consequently preserve their perfect and beautiful Shape more than twice as long as any Single Spring Skirt that Ever Happen Can be made.

THE wonderful flexibility and great comfort and pleasure to any Lady wearing the Duplex Elliptic Skirt will be experienced particularly in all crowded Assemblies, Operas, Carriages, Railroad Cars, Church Pews, Arm Chairs, for Promenades and House Dress, as the Skirt can be folded when in use to occupy a small space as easily and conveniently as a Silk or Muslin Dress.

A Lady having Enjoyed the Pleasure, Comfort and Great Convenience of wearing the Duplex Elliptic Steel Spring Skirt for a single day will Never afterwards willingly dispense with their use. For Children, Misses and Young Ladies they are superior to all others.

THE HOOPS are covered with 2 ply double twisted thread and will wear twice as long as the Single yarn covering which is used on all Single Steel Hoop Skirts. The three bottom rods on every Skirt are also Double-Steel, and twice or double covered to prevent the covering from wearing off the rods when dragging down stairs, stone steps, &c., &c., which they are constantly subject to when in use.

All are made of the new and elegant Corded Tapes, and are the best quality in every part, giving to the wearer the most graceful and perfect Shape possible, and are unquestionably the lightest, most desirable, comfortable and economical Skirt ever made.
