STONEBRAKERS' BALSAM OR PAIN KILLER.

The Great Remedy for Sore Throat or Diphtheria, Croup, Neuralgia, &c., Also for Diarrhoea, Dysentery, Cholera, Cholera Morbus, Vomiting, Pains in the Stomach, Cramps, Frosted Feet, Chapped Hands, Fresh and Old Sores, Bruises, Burns, Toothache, to be used Internally and Externally.

The attention of the public is especially called to it as a remedy for Diphtheria or Sore Throat. It has been tried in hundreds of cases in different parts of the country and has never failed to cure. It is used in time and according to directions. A great amount of suffering might often be saved by having a couple of bottles of this valuable medicine in the house.—Try it, and it will speak wonders for itself. Read the strong testimony in its favor appended below.

As an external remedy for Croup, Sore Throat, Diphtheria, Fresh Cuts, Old Sores, Chapped Hands, Burns, &c., nothing can equal it, always alleviating the most severe pains in a few minutes. Known and used by the people of all ages, and having been used with unbounded success, and in many cases when nothing else would relieve, I have directed every agent to return the money to any purchaser if it did not give entire satisfaction, feeling confident that not one bottle in 1,000 will be returned.

Parents cannot keep a more efficacious medicine in the house, for the treatment of children, when suddenly attacked with CROUP, SORE THROAT, DIPHTHERIA, SCARLETTINA, &c., which so often, like a thief at night, makes such ravages among their flocks of little ones, when they are attacked with Croup, Sore Throat, and their breathing obstructed. Then rub well the neck and chest with the Pain Killer, at the same time giving a few drops internally, and you will never have to lament their removal by those dangerous diseases. It has proven itself infallible in the last stages of Croup and Sore Throat, when given over to die. It is also a valuable remedy for Bronchitis, and all affections of the Throat. The Pain Killer has snatched many a child from an untimely grave; now read, purchase a bottle or two of the Pain Killer, and it will prove a God-send in the above diseases.

No person having used one bottle will ever be without it in the family. It is one of the most efficient family medicines ever offered to the public for the removal of the nervous derangements of the Stomach and Bowels, Throat, &c., and all who use it will find it so. In fact, no family should ever be without a bottle in the house.

STONEBRAKER'S VEGETABLE COUGH SYRUP!

FOR THE RAPID CURE OF
Coughs, Colds, Hoarseness, Croup, Whooping Cough, Asthma, Difficulty of breathing, Spitting, Spitting of Blood, First Stage of Consumption, Soreness of the Throat, and all Affections of the PULMONARY ORGANS.

This SYRUP is an invaluable remedy for the alleviation and cure of PULMONARY DISEASES. It is prompt in its action, pleasant to the taste, and from its extreme mildness, is peculiarly applicable to the use of children and persons in delicate health. As an anodyne expectorant, it will always be found to be beneficial by alleviating and arresting the severest spells of coughing so distressing to the patient.

The indispensable qualities of such a remedy for popular use, must be, certainty of operation, absence of danger from accidental over-dose, and its adoption to every patient of any age or either sex.

These conditions have been realized in this preparation, which, while it reaches to the foundation of diseases, acts with soothing certainty, is still harmless to the delicate infant or tender child.

It is highly recommended wherever it has been used, and so apparent is its usefulness and so remarkable has been its cures, that it is fast superseding every other article of a similar kind for those diseases.

The afflicted can rely upon its doing as much or more, than any other remedy in soothing the nerves, facilitating expectoration, and healing the DISEASED LUNGS, thus striking at the root of all diseases, and eradicating it from the system.

A trial of it is all that is necessary to convince the public of the true merits of the above preparation.

All I ask is a trial of this Preparation, as it has no equal in its effects and never fails to give entire satisfaction to all who use it. We warrant it in all cases, or the money refunded.
