

VILLAGE RECORD.

WAYNESBORO.

Friday, November 17, 1865.

OUR TERMS.

The following are our terms for subscription, advertising and job work, to which we will strictly adhere whilst the present 'war prices' continue.

ADVERTISE! ADVERTISE!—The circulation of the RECORD in this region, including the townships of Washington and Quincy, largely exceeds that of any other paper published in the county.

RAILROAD MEETING.—A public meeting will be held in the Town Hall, on to-morrow (Saturday) at 1 o'clock, P. M. to make such arrangements as will aid in securing the extension of the Gettysburg Railroad to Waynesboro.

TRIAL OF DAVIS.—A conference of events has, says a Washington despatch, given to the trial of Jefferson Davis peculiar interest.

THE SOUTHERN STATES.—It is becoming very apparent that the mild, kindly and humane policy adopted by President Johnson towards the seceded States has not been accepted by them in the spirit it was expected by the President and the special advocates of his policy.

A Good Reply.—A young man wrote to Governor Brownlow, of Tennessee, offering to sell for \$1,000 a perfect copy of all official letters written by L. P. Walker, rebel Secretary of War.

PETERSON'S MAGAZINE.

We are in the receipt of this popular Lady's Magazine for December. It is a splendid number. The principal engraving, "Papa, Papa," is one of great beauty.

RECONSTRUCTION.—Much has been written and spoken since Mr. Johnson's assumption of power, concerning his plan of reconstruction. Since the elections in the different free States have indicated an overwhelming popular approval of this "plan," it is also gaining friends in the South.

FENIAN BROTHERHOOD.—The executive officers of the Fenian Brotherhood have engaged a spacious mansion in the upper part of the city of New York as their headquarters.

WIRZ HUNG.—The fiend Wirz was executed at Washington on Friday last. He behaved with great coolness and self-possession—persisting in his innocence to the last.

MUSICAL ENTERTAINMENT.—Prof. Bolster, of Reading, Pa., who is said to be one of the best performers on the Violin and Piano in this country, will give a concert in the Town Hall, in this place on Thursday evening, November 23d.

MAMMOTH BEET.—The Lock Haven Republican beats our "big beet," which weighed twelve pounds, producing one weighing fourteen pounds and having a circumference of thirty-one inches.

GOVERNMENT HORSES.—Anders & Co., it will be seen by reference to our advertising columns, will offer 20 government horses at public sale, in this place, on Friday next.

THE NATIONAL DEBT is being reduced at the rate of one hundred and thirty-five millions of dollars per year. A reduction like this so soon after a great war, which had driven large bodies of laboring men and mechanics from the producing interest of the country, may be justly regarded as a wonderful achievement.

THE CATTLE PLAGUE IN ENGLAND.—The U. S. Consul at Manchester, England, writing to the State Department, under date of Oct. 17th, reports that as yet there is no abatement of the great plague among cattle that has for some weeks past created such a alarm in England.

IMPROVEMENTS.—Mr. Wm. Hammett has of late been greatly improving the Brotherton property, in this place. Having fitted up a handsome store room in the brick building adjoining the store he has since put down in front of the buildings a Concrete pavement, and is now refitting the store room formerly occupied by W. H. Brotherton, for Messrs. Geiser & Rinohart, and handsomely painting both buildings.

TRUE.—The man who does not take his home paper, or who does take it and does not read the advertisements, can never be said to be well posted. The advertisements indicate not only the business enterprise of the place in which the paper is published, but the enterprise of the advertiser.
