STONEBRAKER'S BALSAM OR PAIN KILLER.

The Great Remedy for Sore Throat or Diptheria, Croup, Neuralgia, &c., Also for Diarrhœa, Dysentery, Cholic, Cholera Morbus, Vomiting, Pains in the Stomach, Cramps, Frosted Feet, Chapped Hands, Fresh and Old Sores, Bruises, Burns, Toothache, to be used Internally and Externally.

The attention of the public is especially called to it as a remedy for Diptheria or Sore Throat. It has been tried in hundreds of cases in different parts of the country and has never failed to cure if used in time and according to directions. A great amount of suffering might often be saved by having a couple of bottles of this valuable medicine in the house.—Try it, and it will speak wonders for itself. Read the strong testimony in its favor appended below.

As an external remedy for Croup, Sore Throat, Diptheria, Fresh Cuts, Old Sores, Chapped Hands, Burns, &c., nothing can equal it, always alleviating the most severe pains in a few minutes. Knowing it to be perfectly harmless, and having been used with unbounded success, and in many cases when nothing else would relieve, I have directed every agent to return the money to any purchaser if it did not give entire satisfaction, feeling confident that not one bottle in 1,000 will be returned.

Parents cannot keep a more efficacious medicine in the house, for the treatment of children, when suddenly attacked with CROUP, SORE THROAT, DIPTHERIA, SCARLETINA, &c., which so often, like a thief at night, makes such ravages among their flocks of little ones, when they are attacked with Croup, Sore Throat, and their breathing obstructed. Then rub well the neck and chest with the Pain Killer, at the same time giving a few drops internally, and you will never have to lament their removal by those dangerous diseases. It has proven itself infallible in the last stages of Croup and Sore Throat, when given over to die. It is also a valuable remedy for Bronchitis, and all affections of the Throat. The Pain Killer has snatched many a child from an untimely grave; now reader, purchase a bottle or two of the Pain Killer, and it will prove a God-send in the above diseases.

No person having used one bottle will ever be without it in the family. It is one of the most efficient family medicines ever offered to the public for the removal of the nervous derangements of the Stomach and Bowels, Throat, &c., and all who use it will find it so. In fact, no family should ever be without a bottle in the house.

Croup and Sore Throat are diseases which very often carry off the patient very suddenly. It would be well in such cases to have the Balsam or Pain Killer always ready, it being an infallible remedy, by giving it internally, and at the same time saturate a flannel cloth well and let it be applied to the throat and over the chest; it never fails to relieve if applied properly, having cured numbers of cases of the worst kind. All who have used it speak in the highest terms of it in curing Sore Throat, &c.

Dysentery is a disease of the larger and lower intestines, and its presence is indicated by bloody discharges, consisting of blood and slime. It is a dangerous malady, and must be treated with caution. The object being to restore the bowels, and to do this the Healing Balsam will be found a valuable remedy by giving a teaspoonful every 15 or 20 minutes.

Cramps of the stomach, and especially of the bowels, are violent affections of the muscular and nervous system. Sudden shocks of cold frequently produce Cramps of the stomach and bowels, and for this the Healing Balsam is an infallible remedy, by taking inwardly and bathing the stomach and bowels well with the Balsam, and lay a piece of flannel on wet with the same.

Diarrhœa is a dangerous disease, and in many localities it is worse than others. It prostrates the patient very much, and often change of water or diet affects the bowels considerable, and causes great pain, and very often brings on Dysentery, which is more dangerous than the first. Now Stonebraker's Balsam will effectually cure in every case. Only try it, and be convinced of its inestimable value. PRICE 40 CENTS PER BOTTLE.

STONEBRAKER'S VEGETABLE COUGH SYRUP!

FOR THE RAPID CURE OF

Coughs, Colds, Hoarseness, Croup, Whooping Cough, Asthma, Difficulty of breathing, Spitting, Spitting of Blood, First Stage of Consumption, Soreness of the Throat, and all Affections of the PULMONARY ORGANS.

This SYRUP is an invaluable remedy for the alleviation and cure of PULMONARY DISEASES. It is prompt in its action, pleasant to the taste, and from its extreme mildness, is peculiarly applicable to the use of children and persons in delicate health. As an anodyne expectorant, it will always be found to be beneficial by alleviating and arresting the severest spells of coughing so distressing to the patient.

The indispensable qualities of such a remedy for popular use, must be, certainty of operation, absence of danger from accidental over dose, and its adaption to every patient of any age or either sex.

These conditions have been realized in this preparation, which, while it reaches to the foundation of diseases, and acts with unfailing certainty, is still harmless to the delicate invalid or tender infant.

It is highly recommended wherever it has been used, and so apparent is its usefulness and so remarkable has been its cures, that it is fast superceeding every other article of a similar kind for those diseases.

The afflicted can rely upon its doing as much or more, than any other remedy in soothing the nerves, facilitating expectoration, and healing the DISEASED LUNGS, thus striking at the root of all diseases and eradicating it from the system.

A trial of it is all that is necessary to convince the public of the true merits of the above preparation.

All I ask is a trial of this Preparation, as it has no equal in its effects and never fails to give entire satisfaction to all who use it. We warrant it in all cases, or the money refunded.

TRY IT—ONLY 25 & 50 CENTS A BOTTLE.
