The legislature met on Tuesday and organized by the election of Hon. David Fleming, of Dauphin, as Speaker of the Senate...

Pennsylvania asks Congress for \$900,000 to repay the cost of repelling the Rebel invasion.

The Hon. John Minor Botts is now in Washington. He is very strongly opposed to the admission as a member of Congress of any man who has had anything to do with the Rebellion.

Capt. James Cooper, son of the late Gen. James Cooper, died very suddenly a few nights ago at Washington.

A meeting of the citizens of Chambersburg was held on the 21st ult., to memorialize the Legislature in behalf of the despoiled people of Chambersburg...

John C. Breckinridge, Gen. McCausland, Harry Gilmor, and several other rebels are now in Toronto, Canada.

Secretary Stanton has issued an order setting apart all the ground upon which the massacre of Fort Pillow occurred...

Brigham Young has had a new "revelation." He says it is "the will of God that the sisters should make their own bonnets and hats for themselves and their families..."

Let's all go to Japan. You can buy a first-class house there for thirty dollars, and live comfortably in it for two cents a day.

Among the New Year's gifts presented to General Grant, was a library selected with great care, and purchased at a cost of five thousand dollars by a few of the eminent citizens of Boston.

An advisory address to the colored citizens of Maryland was adopted, containing the following judicious advice: We would therefore advise you: 1st. To feel that you are free and dependant upon yourselves for support.

2d. We advise you to become men of virtuous habits, disdaining to do anything beneath the dignity of men.

4th.—We advise you to educate your children, give them trades, and thereby qualify them for any position in life; for if ever we are raised to that elevated summit in life for which we are striving, it must be done by our individual exertion.

No one can do it for us.

5th. We advise you to use every exertion to contradict the predictions of your enemy, which were uttered previous to the emancipation of the State, that if the slaves were freed they would become a pest to society, and paupers dependent on public charities.

J. F. O.

In Quincy on the 24th ult., FRISBY JONES, son of H. M. and Susan Jones, aged 2 months and 24 days.

Dearest Frisby thou hast left us, Here thy babe we deeply grieve, But to God that hath best us, He can all our sorrows heal.

Lovely babe how brief thy stay Short and hasty was thy day, For he has joined angelic bands, And with the angels sing.

Near Waynesboro, on the 15th ult., MARY, daughter of Joseph and Mary Ripple, aged 11 years, and 9 months.

The writer would bear his testimony to the loveliness of this little girl whose death is announced above. A few short months ago (when he last saw her) her face was full of sprightly animation and life. She was possessed of a remarkably sweet and affectionate disposition, attaching all to her by the unmistakable goodness and deep affection of her heart.

She was peculiarly fond of her parents. As an evidence of this, we may mention that she was remarkably attentive and kind to her mother (who was ill at the time) never scarcely leaving her bedside, and seeming to anticipate her every want.

Little did we think then that this good little girl would so soon be brought to a bed of suffering herself, and that it would be the same fond parents turn to watch over the little sufferer. Little did we then think that she would be so soon called to that home where there are no tears, no pain, no sin, no death. As the poet has beautifully expressed it:—

"Tis sweet to know there is a rest Beyond this vale of tears."

May we not hope—aye, are we not certain—that little Mary is even now enjoying that rest—that, though the suffering which God permitted her to pass through was intense, yet the rest she is now enjoying will be all the sweeter for the pain. Yes, sweet thought, she has already entered the gates, and her little feet tread the golden streets of the New Jerusalem, and she can nightly sing—

"Forever with the Lord, Amen, so let it be."

In the hearts of all who knew her, this little girl will be embalmed. Her memory will be cherished with the most affectionate remembrance. May she rest sweetly in the bosom of Jesus.

HEADLEY'S HISTORY OF THE GREAT REBELLION.

The late Rebel stands out peculiar and extraordinary in human events; and the magnificent scale upon which the war has been conducted, constitute it one of the GRANDEST AND MOST ILLUSTRATIVE CHAPTERS OF THE WORLD'S HISTORY.

Mr. Headley, of all writers, is perhaps best qualified to portray the stupendous features of the mighty contest. His previous works on less momentous themes have placed him in the first position, as a graphic and powerful delineator of war scenes and characters, and the magnitude and grandeur of the present subject, impart to his pen the fire and vigor of a yet more exalted inspiration, and furnish ample scope for the highest exhibition of his peculiar genius for military description.

With the stirring scenes of the War pass in review with the vividness and distinctness of a present and living reality, while his great talent for condensation enables him to embody everything of importance in a compass just suited to the public want. From no other source can so clear and comprehensive an impression of the grand march of events be obtained, so easily and agreeably, as from Mr. Headley's work.

Other Histories have been issued before Grant's Report and other Official Documents were submitted to the Government, and are therefore unreliable. Mr. Headley has delayed the completion of this till those documents so ESSENTIAL to AUMENTING and CORRECTING were obtained.

The Second Volume, completing this Work, will be issued in March, 1866. Agents wanted to engage in its sale in every town and county in the U. States. Liberal inducements offered. For particulars apply to our address.
