

VILLAGE RECORD.

WAYNESBORO. Friday, February 16, 1866.

OUR TERMS.

The following are our terms for subscription... For all job work and best advertising terms invariably cash.

PUBLIC SALES.—We invite special attention to the sales of valuable personal property advertised through the columns of the Record, which occur as follows:—

- Maj. L. B. Kurtz, Saturday, Feb. 17th. Rev. C. F. Thomas, Monday, Feb. 19th. A. S. Moon, Monday and Tuesday, February 19th and 20th.

The 22d of February is the day set apart, and appointed for the prayers of the people, throughout the United States, for the welfare of Schools and Colleges.

LINCOLN'S BIRTHDAY.—The Congress of the United States on Monday last paid special honors to the birthday of Abraham Lincoln. An impressive prayer was offered by the Rev. Mr. Boynton, and the memorial address delivered by the Hon. George Bancroft, the President, the Chief Justice and associate justices of the Supreme Court, heads of Departments, officers of the army and navy, foreign ministers, and other distinguished personages being present.

Henceforth, (says the Harrisburg Telegraph), the birth day of Mr. Lincoln will be observed by all true lovers of the American Government with all the deep veneration with which that of Washington has heretofore been marked. Washington made no sacrifices for the country in its first struggle with its despotic foes which Mr. Lincoln refused to make in its late combat with the same opponents.

DESERTERS.—The Legislature of Pennsylvania now in session, should by all means before adjourning pass a stringent and well defined law for the effectual disfranchisement of deserters during the war recently closed. The miserable poltroons who abandoned their State and country in its hour of peril are entitled to no rights which loyal men are bound to respect.

\$24,000 DAMAGES.—A breach of promise suit was tried in Wilkesbarre, Pa., last week, which attracted much attention. The plaintiff was an attractive lady 23 years of age, named Bradley, and the defendant a well-to-do widower of 62 years, named Reynolds.

On Tuesday a week in Senate, Mr. McConghly read a Bill in place, entitled "A further supplement to the Act incorporating the Gettysburg Railroad Company and its supplements," to authorize the said Company to issue preferred stock, and to borrow money upon bonds and mortgage.

Ex. President Pierce has joined the Episcopal Church in New Hampshire. Hon. John Bell connected himself with the First Presbyterian church Nashville. Ex. President Buchanan was received in the First Presbyterian church, Lancaster, lately.

The neglect to stamp receipts given for money or goods has become so common that the Revenue Department has sent out orders to have the law enforced against delinquents. The fine is fifty dollars for neglecting to apply the stamp by the party giving the receipt.

SOMETHING NEW.—We call attention to the advertisement of the Duplex Elliptic or Double Spring Skirt.

A number of loyal Alabamians have arrived at Washington, for the purpose of representing to the President the condition of affairs in Alabama. They say that the State officers, from Gov. Pattee down, use the influence of their positions to oppress and persecute the Union men of the State, whose condition is much worse than at any time during the rebellion.

The County Clerk, Sheriff, and Deputy Sheriff, of Pope county, Arkansas, were all recently assassinated. The clerk, Rev. William Stout, was a member of the Free Convention two years ago.

The Scranton Register says coal in the bed is worth twenty-five cents a ton. It costs eighty cents to mine, and eighty more to prepare it for market—a total of \$1.90.

The intelligence of the transfer of Jefferson and Berkeley counties from the State of Virginia to West Virginia, was received by the citizens of Harper's Ferry with great rejoicings.

In Boone county, Ky., returned rebel soldiers are murdering negroes, and have ordered the departure of the Government officials. A military force has been sent to quell the disturbance.

New York, Feb. 13.—A special Richmond despatch to the Herald has the following: "The Examiner office was closed at nine o'clock this evening by order of Gen. Terry. The order is said to have emanated from Gen. Grant."

One of the reasons why the suffrage bill for the district of Columbia was passed was the fact that unashed and unpardoned rebels are elected to office there. In Georgetown the councils elected as Town Surveyor a man who served in the rebel army during the war and who has not yet been pardoned.

A prominent Georgia Unionist, writing to Washington, says: "One thing is manifest—secession, to-day, politically is stronger than before the war, and Unionists more under the ban of the people."

A verdict of \$2,500 was rendered on Wednesday in the Supreme Court of New York against the New York and Harlem Railroad Company, and in favor of Mrs. Elizabeth Redmond. The latter sustained herself and family by washing, and in September, 1865, she was riding down town in one of the defendant's cars.

AN EXTENSIVE BLACK LIST.—The merchants, butchers and millers of Bethlehem, Pa., have published a printed list in pamphlet form, containing the names of 480 citizens of that place,—bad paymasters, who will no longer be allowed credit by the merchants, butchers and millers aforesaid.

RESURRECTION.—An exchange says that some body-snatchers at Norwalk, undertook a few nights ago to dig up the body of a young lady who had died suddenly, and they succeeded admirably. But when they took her out of the coffin exposure to the cold air, aroused her from a cataleptic fit, which had been mistaken for death.

TAX ON WHISKY.—It is asserted at Washington, that whisky dealers and manufacturers may set it down as certain that there will be no reduction in the tax upon that article, as suggested in the report of the Tax Commissioner.

The House of Delegates of West Virginia has decided on the town of Buckhannon as the place for the permanent location of the State capital.

LOCAL MATTERS.

APPROACHING.—As the first of April is approaching we would, in advance, inform those patrons who are in arrears for a number of years subscription that we expect them to "square accounts" in the meantime.

We invite special attention to the advertisement of W. A. Trillo in to-day's paper, who is at all times well supplied with stoves, tinware, copperware, etc.

RECEIVED.—We acknowledge the receipt of \$1.00 from Rev. S. S. Miller, Akron, Ohio, and \$2 from Thos. Pennell, South Charleston Ohio.

NEW CLOTHING.—George Bender, Esq., has just received a full assortment of best quality ready-made clothing and furnishing goods, to which he invites the attention of his customers and the public.

SOMETHING NEW.—It will be seen by reference to the advertisement of D. B. Russell, Esq., that he is now prepared to supply the public with the "Paragon Oil Lamp," a late invention, which is said to be non-explosive and free from grease or smoke.

ITALIAN BEES.—Several Italian bees have been left at this office by D. D. Fahrney, of this vicinity, for the inspection of the curious. They are larger and differ somewhat in appearance from the common bee.

GOOD TEMPLARS.—We understand the order of Good Templars recently organized here is rapidly on the increase. The society meets every Friday evening in the Basement of the M. E. Church.

COLD SNAP.—The weather which had been of a rather mild temperature, with copious showers of rain, suddenly changed on Wednesday night, and at the time of our writing (Thursday) we are experiencing a decidedly "cold snap," equal almost to the cold days of January.

THE RAILROAD.—We are gratified to be able to state that a growing interest for the success of this enterprise, the extension of the Gettysburg road, is being manifested among the citizens of our town and country, and if the work commenced since our last issue should be continued, as we hope it may, we expect to be able in a short time to give an encouraging account of the amount of stock secured.

PRIME HOMINY.—We are under obligations to Mr. Daniel Garver, of this vicinity, for a present of a half bushel of hominy of very superior quality, prepared after the old style, with stampers. The public can be supplied at the Mill of Mr. G. with any quantity desired, from a quart to a bushel.

BAPTISM.—Three persons were on Sunday baptized by immersion in Rock creek, Adams county, by Rev. S. L. M. Conser, of the Methodist Church. It attracted a large concourse of people.

Mr. Sumner's speech in the United States Senate, on Monday and Tuesday last, is spoken of as the greatest argument in favor of a pure Republican Government ever made in that body.

OF FOOTER.—A Western reader of the Record writes us as follows:—I regret very much the indifference manifested by the people of Waynesboro and vicinity in reference to the Railroad.

The ground-hog sign in regard to the weather, it seems, will prove true this winter. This animal came out of his hole on the 2nd inst., and getting a good glimpse of his shadow, he went back to remain six weeks.

PAY OF JURORS AND WITNESSES.—Col. Stumbaugh has introduced a bill into the legislature increasing the pay of jurors and witnesses in this county.

COMING DOWN.—Another decline in the price of dry goods is announced. This will be good news to many.

The conversation between the President and the colored delegation is considered by them as conclusive upon the question of the President's intentions upon the bill granting suffrage to the colored people of the District.

New York, Feb. 4.—Last night the Blocker Street and Fulton Ferry Railroad Company's Stables were destroyed by fire.
