The machine is particularly adapted to farmers for their own use, and will apply to lover or railway power, will thresh and clean, in good grain, from 100 to 150 bushels per day, using four to six horses and the same number hands, but under very favorable circumstances will thresh more per day. It cleans the grain thoroughly clean by one operation, which is not generally done by other Separators. Grain cleaned on this machine, with much light filthy matter, is worth one or two cents more per bush-el than if cleaned in the common way. There is also a great saving of grain, in straw and chaff over the common way of thrashing and cleaning, and also over other Separators and Cleaners. The machine is conveniently arranged for hauling and threshing, being permanently fixed on two wheels. One man can easily move or shift it about, so that it is not half the trouble in a barn floor as the common thresher and shaker. Give your Horses STONLBRAKUR'S HORSE ND CATTLE POWDERS, if you want fine and healthy horses, and you are sure to have them. A safe, sure and speedy cure for Coughs, Colds, Distempers, Henves Hile bound, Worms, Bots, Scurvy, &c., in Horses, Loss of Cud, Black Tongue, etc., in Cattle.

By the use of these POWDERS the appetite of the Horse is improved, all derangements of the Digestive 'rgans are corrected, and the sluggishness of the animal disappears, he becoming lively and spirited It softens the skin giving the hair a sleek and shining appearance. The great superiority of these Powders over all others arises from the face that they are compounded of medicines that have laxative, tonic and purifying properties, - The laxative removes all impurities from the stomach andbowels; the tonic adds new tone and vigor to the system of the horse, by which the appetite is won-derfully improved, and the purifying medicines contained in them cleanse the blood from all impure matter, and give a healthy and vigorous circula. tion; they also improve the wind, and are a sure preventive of Lung Fever; Yellow Water, Founder, Loss of Appetite, and many other diseases incident to the horse.

It is also invaluable as a Condition Powder for Cows, increasing the flow of Milk and preventing

diseases to which Hogs are so liable-such as Coughs, Ulcer of the Lungs and Liver-causing

them to improve Much faster. They should be used

in the beginning to fatten Hogs, as much feed may

be saved. These powders will be found much strong-

er than the most powders now in use, and at the

same time the most powerful- tonic ever-used for Horses and Cattle of any kind. All persons are

particularly invited to try these Powders, knowing
