LOCAL MATTERS.

LEGAL ADVERTISEMENTS .- Our people nd citizens of the county generally will be gratified to learn that the Legislature before its adjournment repealed that odious local act requiring all legal advertisements to be published in the two Chambersburg papers. Executors, Administrators, Assignees, &c. are now free to advertise where their interests call them.

As the circulation of the Record in this township and Quincy greatly exceeds that of any other paper in the county, administrators and others should not forget that this is the place to advertise.

See notice of turnpike election.

In Town-Dan Rice and the Elephant.

WANTED .- The printer wants a few well cured country hams, for which the highest eash price will be paid.

CEMENT.-Messrs. Geiser & Rinehart have just received a superior article of cement, and can also supply those in want of the article, with chestnut rails of good quality.

THE CROPS.—The recent "wet spell" has had the effect to-greatly revive the wheat fields in this section. Those which looked "winter killed" a week ago now present a much more promising aspect.

NUNNERY MEETING .- The Snow Hill Society will hold their annual meeting at the Nunnery, on Saturday the 28th inst. We understand the usual dinner prepared for strangers will on this occasion be dispensed

Box Found.-A box containing notions, such as pins, buttons, thread, stove black-

HORRIBLE MURDER.

PHILADELPHIA, April 12.—One of the most horrible butcheries of human beings known yesterday afternoon, between two and three o'clock. The location of this horrible tragedy, or tragedies, is on Jones' lane, west of the Greenwich-point road, not far distant from the Point, on the Delaware, in the First Deering, fourteen months; Miss - Keating, aged forty six years. A lad, aged fourteen years, who lived with the family and searched this morning.

The dwelling house, a two story frame, is located on Jones' lane, the barn and stable being a short distance off. Mr. Deering was a cattle dealer, and a quiet, unostentatious it tries to find objections to all but one point regulars and two companies of artillery, and man. He attended strictly to his own business, and thus won the esteem of all who quote from the gentleman's first reply: "We Business is almost entirely suspended. The knew him. He occupied the farm for five or six years, having rented it from the own-er, Mr. James Mitchell. Mr. Deering was tural sentiment." He does not fault my "senlast seen alive on Saturday morning; at this time he purchased six pounds of beef in the Wharton market on Moyamensing avenue.

WHERE THE BODIES WERE FOUND.

The body of the mother and those of her four children were found in one corner of the barn, near a small out-house adjoining, evidence of this. I called on all to enter upwhich communicate by a hole, through which on an "active campaign," Are the "temperthe remains of the victims were brought to ance societies" doing this? Men still get view. It seems as though they were thrown drunk, and liquor is still sold contrary to and step mother mortally wounded. Order into one heap, pellmell, and then covered olaw, without any remonstrance from your was finally restored by the military. into one heap, pellmell, and then covered o- law, without any remonstrance from your ver with dirt and hay. These unfortunates boasted societies. Let us see you doing were terribly mangled about their heads.— something in this way. Again he says, "We It would seem that a new, sharp and bloody are compelled to write 'TEKEL' upon his axe, that was found in the rear of the dwell- "more radical grounds." And further, "Wo ing, was the weapon used by the heartless preach all that he recommends." Here the murder. All of them seem to have been thing he preaches. He is a strange man to struck on the left side of the forehead, just preach what he believes to be defective. He above the eye, with the heel of the axe, and says what I recommend "will not destroy the on the demon cut their throats. Such a this. This is just the point of the whole dissight was appalling to the stoutest nerves .- cussion, and if the gentleman wants to throw One of the little boys, the youngest, it is be-lieved, was so horribly cut that his head arguments and not by assertions. The genroad was held at York on Tuesday last ered, had his right arm crocked and partly position." I suppose he refers to my "leap and the supplement to the Charter of the Company authorizing the issuing of preferred stock was accepted, and a resolution passed directing the issuing of 30,000 shares ered, and a resolution passed directing the issuing of 30,000 shares passed directing the issuing of 30,000 shares was struck down. The babe had received of a "dilema" I am in. He has excited my an awful blow on the upper part of the breast, euriosity and I would like to know. He near the shoulder, almost severing one of its still thinks my influence is on the side of earms, and also another, a sharp cut on the vil, yet he does not fault its foundation,side of the head.

HOW THE DISCOVERY WAS MADE. cent. dividend then the balance of the net A man at work fixing up some fences for gentleman can say is that I do not endorse earnings, if any, to be divided pro rata be- Mr. Ware, a neighbor, had his attention call- his theory.
