### 1866. THE GREAT ZINGARI BITTERS. Sure Preventive

OF CHOLERA! From our connection with Market Cars running | THIS WONDERFUL REMEDY was discov-Dr. S. Cheopsus, an eminent Egyptian physician.
He had long seen and felt the want of some remedy which would strike at the root of the disease, and so prevent much of the suffering which the hu-

ing marks of royal favor were bestowed upon him who discovered it. His name was placed upon the Roll of Nobles, and a gold medal with the follow

ing inscription-Dr. S. Cheopsus, the Public Benefactor—was presented to him by the Viceroy.

The preparation has been used in several epidem ics of cholera, both as a preventive and curative NEW GOODS! NEW GOODS!

It is an an with great success, that it has been introduced into nearly all the general hospitals of the old world. The old saying that an ounce of prevention is worth a pound of cure, applies with marvellous force to cholera, and therefore any remains that the corrible disease. edy that will protect us against this terrible discase

should be freely and persistently used. All pathologists now agree that the cholera pois on acts on the system through the blood, and that any con bination which acts on the exerctory organs, and keeps them in working order, must prevent a sufficient accumulation of the poison to exert its terrible effects on the organism. This is true not only of cholera, but of nearly all other maladics, especially the different forms of fever.

The Zingari Bitters is just such a remedy as the above conditions require. It acts on the organs of expression and secretion, keeping up a perfect balance between them. This litters is composed entirely of roots and herbs, so nicely concosted that every organ is acted upon and put in to no. Its taste is pleasant and its effects prompt and lasting.

Numerous cases of the following diseases have been cured by it: Coolera, Diarrhoen, Dysentery.

been cured by it : Coolera, Diarrhoen, Dysentery, Typhoid and Typhus Fever, Fever, Ague, Nervous Debility, Anacmia. Dysycpsia, Flatulency, Colic, Scrofula, &c. Price \$1 per quart bottle.
