All we ask is a call and examination of our stock to convince those wishing to purchase that we are enabled to sell as cheap as any house elsewhere. I tender my thanks to the community for their liberal patronage and hope to receive a continuation of public patronage.  
J. W. M.  
October 5, 1866.

**LATEST FASHIONS DEMAND**  
**J. W. Bradley's celebrated Patent**  
**DUPLEX ELLIPTIC**  
(OR DOUBLE SPRING)  
**SKIRT.**

THE wonderful flexibility and great comfort and pleasure to any lady wearing the Duplex Elliptic Skirt will be experienced particularly in all crowded Assemblies, Operas, Churches, Railroad Cars, Church Pews, Arm Chairs, for Promenade and House Dress, as the Skirt can be folded when in use to occupy a small place as easily and conveniently as a Silk or Muslin Dress, an invaluable quality in crinolines; not found in any single Spring Skirt.  
A lady having enjoyed the Pleasure, Comfort and Great Convenience of wearing the Duplex Elliptic Skirt for a single day will necessarily afterwards willingly dispense with the use of other Skirts, Misses and Young Ladies they are superior to all others.  
They will not bend or break like the Single Spring, but will preserve their perfect and graceful shape when three or four ordinary Skirts will have been thrown aside as useless. The Hoops are covered with double and twisted thread, and the bottom rods are not only double springs, but twice (or double) covered; preventing them from wearing out when dragging down steps, stairs, &c.  
The Duplex Elliptic is a great favorite with all ladies and is universally recommended by the Fashion Magazines as the STANDARD SKIRT OF THE PASTORABLE WORLD.  
To enjoy the following inestimable advantages in Crinolines, viz: superior quality, perfect manufacture, stylish shape and finish, flexibility, durability, comfort and economy, enquire for J. W. Bradley's Duplex Elliptic, or Double Spring Skirt, and be sure you get the genuine article.  
CAUTION.—To guard against imposition be particular to notice that skirts offered as "duplex" have the red ink stamp, viz: "J. W. Bradley's Duplex Elliptic Skirt Spring," upon the waistband—none others are genuine. Also Notice that every Hoop will admit a pin being passed through the center, thus revealing the two (or double) springs braided together therein, which is the secret of their flexibility and strength, and a combination not to be found in any other Skirt.  
FOR SALE in all stores where FINEST CLASS skirts are sold throughout the United States and elsewhere.  
Manufactured by the Sole Owners of the Patent,  
**WESTS, BRADLEY & CARV,**  
97 Chamber & 79 & 81 Reade Sts., N. Y.  
October 19—3m.

**THE GREAT ZINGARI BITTERS.**  
A Sure Preventive OF CHOLERA!

THIS WONDERFUL REMEDY was discovered and introduced about twenty years ago by Dr. S. Cheopous, an eminent Egyptian physician. He had long seen and felt the want of some remedy which would strike at the root of the disease, and so prevent much of the suffering which the human family was then compelled to endure.

This great question was presented to his mind every day in vivid colors as he moved among the sick and dying, and observed the inefficiency of nearly all the remedies then in use. Thus he was led to think and experiment; and after ten years of study and labor, he presented to his fellow-men the wonderful Zingari Bitters. The effect of this preparation in the prevention and cure of disease, was so marvellous and astonishing, that the most flattering marks of royal favor were bestowed upon him by the Emperor of the East. His name was placed upon the Roll of Nobles, and a gold medal with the following inscription—Dr. S. Cheopous, the Public Benefactor—was presented to him by the Viceroy.

The preparation has been used in several epidemics of cholera, both as a preventive and curative measure, and with great success, that it has been introduced into nearly all the general hospitals of the old world. The old saying that an ounce of prevention is worth a pound of cure, applies with marvellous force to cholera, and therefore any remedy that will protect us against this terrible disease should be freely and persistently used.

All pathologists now agree that the cholera poison acts on the system through the blood, and that any combination which acts on the excretory organs, and keeps them in working order, must prevent a sufficient accumulation of the poison to exert its terrible effects on the organism. This is true not only of cholera, but of nearly all other maladies, especially the different forms of fever.

The Zingari Bitters is just such a remedy as the above conditions require. It acts on the organs of excretion and secretion, keeping up a perfect balance between them. This Bitters is composed entirely of roots and herbs, so nicely concocted that every organ is acted upon and put in tone. Its taste is pleasant and its effects prompt and lasting.

Numerous cases of the following diseases have been cured by it: Cholera, Diarrhoea, Dysentery, Typhoid and Typhus Fevers, Ague, Nervous Debility, Anemia, Dyspepsia, Flatulency, Colic, Scrophula, &c. Price \$1 per quart bottle.

Principal Depot at the Walnut street wharf, Harrisburg, Pa. Sold by Druggists, Hotelkeepers and Grocers. F. RAHTER, Sole Proprietor.

For sale at the "Waynesboro Hotel," by V. B. GILBERT, Agent. June 22—ly.

**SMALL FARM**

AT

**PUBLIC SALE!**
