sembles on Monday next. There will be a was fearfully dilapidated, and there was grand demonstration of welcome to morrow scarcely a panel of decent fencing on the (Saturday) by the Soldiers' and Sailors' Un- whole estate. Since the "Federal Vandals" ion. They propose to have aprocession and came into possession of it, they have not onan address of welcome by Gen. John A. Lo. ly renovated the house, but put substantial gan, responses by Scanfors and Reprenta- fences on the farm, and, what is more, turntives and a banquet in the evening. Large ed it to some account. But what right have delegations from Philadelphia, Baltimore and these traitors to complain and whine about other places are expected to be present.

of the West the fact is revealed that the understand, however, that he carried all his damage sustained by frost and floods early valuables off to Richmand before leaving for in the Autumn, is much greater than had generally been expected. The Chicago Republican says: We have met and talked Southern gentlemen" as Floyd, or Breckinwith farmers representing nearly the entire ridge, or possibly King Jeff himself. At any day's paper. corn region affected by frost, and the uniform testimony is that the crop is depreciated fully one third.

lican Association held in New York on Mon- his traitor arm against the life of the Govday evening last, Hov. Thomas J. Durant, of ernment that educated him, he would have Louisiana, was elected President, and among been hung, and his paoperty confiscated for the Vice Presidents, chosen was Judge Hugh the benefit of the State. L. Bond, of Baltimore city. Resolutions were adopted inviting all Southern Republing is given as the number of the male volicans to meet the Association in Washing- ters at the South in 1860 who could not read ton on Monday next, the day of the meeting and write: of Congress, and declaring the purpose of the Association to continue in session during the meeting of Congress.

The Chicago Republican professes to have trustworthy information from Utah that Brigham Young is about to retire temporarily to a plantation some sixty miles from Salt Lake City, leaving the charge of public affairs in the hands of his son. This movement, it is said, is occasioned by the increasing age of Brigham Young, and the object is to test the ability of the young Brigham to wield the sceptre before the death of his father shall render final any step which may be adopted in regard to the succession.

The New Nork News gives the follow-South !

egain your inheritance. yourselves from the clutches of the high waymen, not by abject submission, but by yielding all that you can regain. Obtain a foothold in the National Legislature. Stoop a little to conquer, so you stoop not lower to obtain the vantage ground."

MEXICAN AFFAIRS .- A special Telegram says:

Maximilian has taken the decisive step of abdication. The rupture between himself and the French Government being complete, he has left Mexico in the hands of Bazaine and Castelnau, the latter of whom is understood to have full authority from Napoleon to supersede the Marshal himself, if neceson his way to Europe on Monday or Tues-

The consternation of the Mexicans at finding the question of their future remitted absolutely to negotiations between France and the United States, is general, and confined sions, clothing, &c, for the troops. to no party.

The following important despatch ap peared in the Philadelphia Bulletin of Frisources of information.

WASHINGTON, Nov. 23,-The Cabinet were in session until late last evening and rehumed their session again this morning.-The cause of these protracted sessions is not

tion to Congress He will set forth very ful- unreconstructed, ly in his Message the reasons which induced

him to take this step Letters have been addressed to leading Republicans, Senators and members, in regard entered a police station, in Cincinnati, on to the matter.

SEVEN-THIRTIES .- Parties desiring to conyest seven-thirties into five-twenty coupon bonds are reminded that all-conversions, on United States again. He said that during and after December Ist, will be made in five the last ten days the crime had weighed so twenties, bearing interest from January 1st, heavily upon his conscience that he deter- flual form of the Paymaster General, and is uext, and in transmitting or adjusting the mined to surrender himself into the hands of prepared to fix up the papers to insure the becount to that date.

Cave Johnson, former member of Con- be no worse than those he suffered while at gress from Tennessee, and Postmaster Gen- liberty. eral, died at his residence at Clarksville, in declining health:

REBEL INPUDENCE .- Andrew Johnson's Richmond organ, the Examiner, makes sad lament over "Yankee Vandalism," as illustrated in the case of the Arlington estate, the robel General Lee's former residence. Speaking of the estate, it says:

"Arlington is well known as one of the most ancient, and, until its desecration by the Federal Vandals, one of the most magnificent country soats in Virginia."

If Lee's house and farm, says the Wash ington Chronicle, was "one of the most magnifficent country seats in Virginia," we have this place has declared a dividend of five only to say that the Old Dominion has little to boast of in that line. No Northern gentleman of half Lee's pretensions to aris-\$2.00 tocracy would have lived in the house in its condition just previous to the war, and as for the farm, the poorest husbandman in show it to his neighbors, had he owned it MEEETING OF CONGRESS .- Congress as- The house, like most "Southern mansions," the destruction of their "furniture, plate, pi anos." etc? If Lee wanted to preserve these, Conn Chop. -In gathering the corn crop why didn't he stay at home and do it! We that great city himself. It may be that they fell a prey there to some such 'high-toned rate, such men as Lee ought to be thankful that their miserable lives have been spared, and say nothing about their property. Had At a meeting of the Southern Repub. Lee lived in any other country, and raised

Hon. Thaddeus Stevens. A Washington despatch says:

Thaddeus Stevens has taken his old quar ters on Capitol Hill, and on Thursday receiv BANK ELECTION.—See notice in another parad a bill for immediate passage to regul stringent than Senator Trumbull's, aid' pro-

ed a large number of callers. He has prelate the removals from office. It is more vides that no one rejected by the Senate shall thankfully received at this office, the latter be ngain nominated or appointed to any office for three years. Mr. Stevens receives dai ly bundreds of letters front all directions

He says that he was rather conservative last winter but is now radical, and expects to continue so the remainder of his days .-He converses with the greatest rapidity and clearness, and except in the feebleness of his frame, no one would suppose him to be over fifty. The idea of attempting to barter with the South to buy from them what he consid-According to a late Washington des- ers Congress has the right and ought to de-Pennsylvania would have been ashamed to patch seventy Postmasters were beheaded mand, is very distasteful to him, and the advocates of universal amnesty for universal suffrage will find in him a bitter and effective opponent. He does not consider that the was in town on Wednesday. Too fice use of Southern States are needed to ratify the Constitutional Amendments, and that when two thirds of the twenty-six States now repro-sented have ratified the amendments he considers them carried.

> A sad and thrilling accident occurred at St. Louis last Friday night. In returning from a ball a large party of happy young folks were aboard a ferry, and as the boat was nearing the shore, a sudden jostle threw a beautiful young lady, named Anna Morrison, lished by the negroes, collapsed the other into the dark, deep waters of the river — day in consequence of the depositors with- Instantly a noble young man plunged into the water and cought the fair form in his arms, and struggled manfully to bear his pre cious burden to the sliore. He called for a boat or plank, but none were within reach, and as the current was swift, and he was encumbered by heavy clothes and the skirts of the young lady, the roaring waters swept both further from the shore. His strength gave way, and the girl sunk to a watery grave, and he was thrown up insensible upon the shore. The brave young man's name is not given, but it should be, that the world might admire a noble nature which it were insult to praisë.

> > A CURIOUS STATEMENT .- The following Springfield Republican:

"Speaking of politics reminds me of an incident of the riots of 1863 related to me by an eye-witness You remember the Tribune office had been threatened and was defended by armed men. The afternoon that Gov. Seymour addressed the mob from the steps of the Astor House, one of the defeuders of the Tribine, a dead shot, stood in the editorial window with a telescopic rifle aimed at Seymour's head. It the unscrupulous demagogue had said anything to excite the mob the intention of our rifleman was to shoot him dead on the spot, and he would have Seymour he only sought to conciliate the insurgents, and so escaped with his life. It is BREWERY SOLD -The Brewery, Dwelling | not probable that the crafty politician ever knew how near he came to having a ball lodged in his skull, and it may be that his good genius stopped between him and his natural disposi-

> PITTSBURG, Nov. 28 —A post of the "Grand Army of the Republic" has been organized in this city, and is to be known as Post No. 1 of this (Alleghany) district. It may not be generally known that in the organization of the "Grand Army of the Retricts," each county being a district, and that there may be within this district any num-

gany county, Pa, attended a dancing party this county. last Friday evening a week, and while standing on the floor leaned against a friend, and lic sale on Saturday last for the sum of \$4,- placing his hand over his heart, complained of a queer feeling. In an instant of time, and without another motion, he was dead.

> John H. Surrett, the Lincoln assassin con-Papal Zouaves, in or near Rome, under the name of John Watson. He was arrested on demand of United States Minister King -Surratt broke from his guard, jumped down ritory. The Italian Government is on the alert to effect his recapture.
