EMPIRE SHUTTLE MACHINE.

PATENTED FEBRUARY 14, 1860

SALESROOM, No. 921 CHESTNUT ST., PHILADELPHIA.

This Machine is constructed on a new principle of mechanism, possessing many rare and valuable improvements, having been examined by the most prominent experts, and pronounced to be SIMPLICITY and PERFECTION COMBINED.

The following are the principal objections urged against Sewing Machines:

- 1. Excessive fatigue to the operator.
2. Liability to get out of order.
3. Expense, trouble, and loss of time in repairing.
4. Incapacity to sew every description of material.
5. Disagreeable noise while in operation.

The Empire Sewing Machine is exempt from all these objections. It has a straight needle, perpendicular action, makes the LOCK or SHUTTLE STITCH, which will neither RIP nor RAVEL, and is alike on both sides; performs perfect sewing on every description of material, from leather to the finest Nansuk Muslin, with linen, cotton or silk thread, from the coarsest to the finest number.

IT HEMS, FELTS, BINDS, BRAIDS, TUCKS, QUILTS, PILLOWS, GATHERS. Having neither CAM nor COG WHEEL, and the least possible friction, it runs as smooth as glass, and is EMPHATICALLY A NOISELESS MACHINE. All varieties of CABINET MACHINES from \$60 upwards.

Particular attention is called to our new and improved Manufacturing Machine, for Tailoring, Shoe-Fitting, Coach Trimming, &c. Its advantages are simplicity, durability, rapidity, easy adaptation to all branches of manufacturing. It makes perfect work on all material. It is especially desirable in sewing Patent-leather, and is very still. In short, it is the most perfect manufacturing machine in the market.

THE GREAT ZINGARI BITTERS. A Sure Preventive OF CHOLERA!

THIS WONDERFUL REMEDY was discovered and introduced about twenty years ago by Dr. S. Cheopus, an eminent Egyptian physician. He had long seen and felt the want of some remedy which would strike at the root of the disease, and so prevent much of the suffering which the human family was then compelled to endure. This great question was presented to his mind every day in vivid colors as he moved among the sick and dying, and observed the inefficiency of nearly all the remedies then in use. Thus he was led to think and experiment; and after ten years of study and labor, he presented to his fellow-men the wonderful Zingari Bitters. The effect of this preparation in the prevention and cure of disease, was so marvellous and astonishing, that the most flattering marks of royal favor were bestowed upon him who discovered it. His name was placed upon the Roll of Nobles, and a gold medal with the following inscription—Dr. S. Cheopus, the Public Benefactor—was presented to him by the Viceroy. The preparation has been used in several epidemics of cholera, both as a preventive and curative measure, and with great success, that it has been introduced into nearly all the general hospitals of the old world. The old saying that an ounce of prevention is worth a pound of cure, applies with marvellous force to cholera, and therefore any remedy that will protect us against this terrible disease should be freely and persistently used. All pathologists now agree that the cholera virus acts on the system through the blood, and that any combination which acts on the excretory organs, and keeps them in working order, must prevent a sufficient accumulation of the poison to exert its terrible effects on the organism. This is true not only of cholera, but of nearly all other maladies, especially the different forms of fever. The Zingari Bitters is just such a remedy as the above conditions require. It acts on the organs of excretion and secretion, keeping up a perfect balance between them. This Bitters is composed entirely of roots and herbs, so nicely concocted that every organ is acted upon and put in tone. Its taste is pleasant and its effects prompt and lasting. Numerous cases of the following diseases have been cured by it: Cholera, Diarrhoea, Dysentery, Typhoid and Typhus Fever, Fever Ague, Nervous Debility, Anaemia, Dyspepsia, Flatulency, Colic, Scrofula, &c. Price \$1 per quart bottle. Principal Depot at the Walnut Street wharf, Harrisburg, Pa. Sold by Druggists, Hotelkeepers and Grocers. For sale at the "Waynesboro Hotel," by V. B. GIBBERT, Agent. [June 22-4f.
